Spurgeon is known for his sermons but it is a wonderful study to learn from him the theology and practice which drove him and the Metropolitan Tabernacle to plant two hundred churches in and around London How did they accomplish this This book presents the story and principles of Spurgeon and his church which God taught and guided them to implement and how pastors and churches today can apply them Each of us need a solid model to take heart from and follow Spurgeon and the Metropolitan Tabernacle meets that need There is great wisdom and practical encouragement to be received from their example for every Christian church leader and pastor to enjoy for Christ s work This work was written to help make this experience possible and probable under God s good blessings Read pray reflect grow and go for the Savior and souls

Disciple Making Is . . . Dave Earley, Rod Dempsey, 2013-08 Dozens of brief yet powerful chapters about what it really means to live out the Great Commission in practical terms written by two men with more than sixty years of combined discipleship experience

Making Disciples in the Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God s ultimate plan does he have a particular purpose for the cell based church I ve been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I ve come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ s last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions

The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship. In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women. Even though the term disciple is later replaced by words such as brothers, sisters, Christians, and saints, the concept remains the same. We in North America and the Western world often project our own cultural bias into Christ's great commission (Matthew 28:18-20). Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God. And yes, there is an important individual aspect, e.g., personal devotions, etc. Yet in Matthew 28, Jesus was talking to a group of disciples. He wanted them to follow his example by making disciples in a group. Jesus molded twelve disciples in a group and then sent them house to house. So how does the cell church make disciples? In this book, I show how the cell small group works together with the cell system to make disciples who make disciples. In the cell, a potential disciple is transformed through community, priesthood of all believers, group evangelism, and team multiplication. In the cell, potential disciples are formed through learning how to love one another, exercising their gifts, evangelizing together as a group, and then sent forth as teams to start new groups. Discipleship is a group process in the New Testament, and God is calling his church to re-emphasize this truth. The cell system ensures each leader has a coach, and that training/equipping track happens. Then the cells gather together to worship and grow through the teaching of God's Word. All three aspects are essential to form disciples. Training is needed because disciples won't learn all they need to know in the cell. Coaching ensures that each leader is cared for and receives shepherding. The celebration service brings the cells together to hear God's Word, worship, and receive fresh vision. The goal of the two-wing cell church is to make disciples who make disciples. The cell church today makes disciples by following the early church pattern of cell and celebration.

Recommendations I've read all of Joel Comiskey's books, but *Making Disciples in the Twenty First Century Church* is his best work yet. In this book, Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth, but making disciples who make disciples. He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen. I'm looking forward to having all of our Pastors, Coaches, and Cell Leaders and Members read this book in the near future.

Dennis Watson, Lead Pastor, Celebration Church of New Orleans ____ I am so excited about Joel Comiskey's new book *Making Disciples in the Twenty First Century Church*. When I'm asked what makes a cell church thrive, I always say discipleship. Thank you, Joel, for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth. I pray this book won't only be read but lived out as we were made to make disciples.

Jimmy Seibert, Senior Pastor, Antioch Community Church, President and Founder, Antioch Ministries International ____ I really like that Joel asked the *Why* question before the *How* question. He even takes on the *What* question, which is just as important. The interest in discipleship is greater now than anytime in the last fifty years. I fear, however, that we are using the same words

but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it and I pray that there will be many Bill Hull Author of Jesus Christ Disciple Maker Disciple Making Pastor Disciple Making Church and The Complete Book of Discipleship Adjunct Faculty at Talbot School of Theology Biola University __ The history of the cell church movement in Brazil has many names of great man of God Joel Comiskey certainly is one of them We see how over the years his understanding of the New Testament Church has deepened Again Joel surprises us with this jewel He covers many aspects of cell church life showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus He takes us to the heart of the matter of the cell church as he states it The purpose of cell ministry is making disciples who make disciples Excellent book The movement in Brazil certainly will be blessed through this book Enjoy it Robert Michael Lay Cell Church Ministry in Brazil Pioneer in the cell movement in Brazil and publisher of Joel s books __ In his tremendously helpful new book Making Disciples in the Twenty First Century Church Joel Comiskey cuts directly to the core purpose of cell ministry which is making disciples who make disciples Then he tells us how to do it through the Cell Based Church Like Joel s other books Making Disciples in the Twenty First Century Church is solidly biblical highly practical wonderfully accessible and is grounded in Joel s vast research and experience Great job Joel Dave Earley Lead Pastor Grace City Church of Las Vegas Nevada Author Eight Habits of Highly Effective Small Group Leaders Adjunct Professor Liberty Baptist Theological Seminary __ For more than twenty years Joel Comiskey has served the cell church movement He has helped scores of congregations move from being traditional churches to communities where edification and harvest occurs Twenty years Now he combines two decades of observation as his capacity as a researcher He has scoured many books to assemble wise counsel for us His discussion of how community varies from culture to culture is indeed penetrating As I read through the pages I mentally noted specific Christian workers who need to read these pages Thanks Joel for the way you allow the King to speak through you to enlarge His Kingdom on earth Ralph Neighbour Jr key pioneer of the cell church movement ____ Joel Comiskey continues to deepen our understanding of the cell based church In Making Disciples we are equipped to carry out the Great Commission at maximum capacity Get ready to have your vision for ministry strengthened and expanded Andrew S Mason Small Groups Pastor Thrive Church Elk Grove CA Founder SmallGroupChurches.com ____ As one of the world s leading experts on cell based churches Joel Comiskey is well placed to show how New Testament style disciple making works His decades of experience in fields of ministry all over the world confirm that every member ministry and personal investment in disciples are God s pathway to true maturity and expansion of the kingdom of God This well written book deserves attention from every serious Christian Dennis McCallum Author Organic Discipleship **Making Disciples Through Home Assemblies** ,Dwight,Patrice Gillespie,2022-05-03 Statistics on church growth reveal some startling facts Overall church attendance in

America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus

Make Disciples That Make Disciples Tim Garland, 2020-02-06 The church does great things in the name of Jesus feed the hungry clothe the naked put roofs over the heads of the homeless fight for civil rights provide for the needs of children and many more good deeds These acts are living out the hands and feet of Jesus to a lost world meeting these immediate needs These acts Glorify God however are they fulfilling the great commission This book was written primarily as a means of teaching how to make disciples that make disciples How do we fulfill the great commission Should the great commission be the mission of the church Is it in mine Why not This book was designed with small same gender groups in mind After the first 7 chapters explaining what discipleship is and how to do it each chapter thereafter fills in the content of discipleship Chapters 8 28 each have seven verses listed at the end of the chapter for further study on the topic of the chapter To best utilize this book as a training manual I advise each person to use those seven verses as their personal time alone with God verse of the day If you followed the plan of each verse at the end of the chapter as daily bible study and read one chapter per week then this book would cover approximately 6 months of training My hope is that each person who takes this training manual serious would then take others through the same training that we would make disciples that make disciples
