Submissions are subject to a blind peer review process **Cultural Representations of the Second Wife** Jo

Parnell,2023-12-11 Cultural Representation of the Second Wife Literature Stage and Screen is a multifaceted interdisciplinary cross cultural work that provides insights into the realities of second wives the world over This book allows the reader a three dimensional view of the second wife experience It asks What does it mean and what does it feel like to be a second wife in a polygamous union or in a monogamous partnership Is there a difference Together the writers in this book cleverly create an in depth study of the subject through the productions referred to in the title to offer a different approach to the popularly held views of the second wife The book addresses the intricacies customs practices and lifestyles of the various Eastern and Western cultures and demonstrates the abilities of the Humanities to connect and interrelate with other disciplines as well as with the reader s own world **Islam** Cenap Çakmak,2017-05-18 This expansive four volume

encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity One of the most popular and widespread religions in the world Islam has attracted a great deal of attention in recent times particularly in the Western world With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans there is ever increasing need to examine and understand Islam as a religion and historical force Islam A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time The set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition Each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion Each entry also features a further readings list for readers In addition to supplying a comprehensive authoritative overview of Islam this work also specifically addresses many controversial related issues including jihad violence in Islam polygamy and apostasy

Finding Peace in Iraq: Joint Field Research on New Approaches to Peacebuilding in the Kurdistan Region

Thomas Hill,Talia Hagerty,2013 Scholars at the University of Duhok in the Kurdistan Region of Iraq have spent the past decade exploring peace and conflict studies and have established the field s only degree granting program in Iraq In 2012 2013 students and professors from the University of Duhok and New York University met to design and conduct peace research in the KRI Finding Peace in Iraq is one result of their work These collaborative studies offer valuable knowledge related to peacebuilding in different dimensions economics resource management minority and gender inclusion education and religion This research represents an important step in reframing relationships between a generation of Americans and Iraqis who have known nothing but isolation and separation from each other **Religion and Women in India** Tanika Sarkar,2024-08-01 In Religion and Women in India Tanika Sarkar provides an account of gender prescriptions and proscriptions and their operation among various Indian religious communities beginning with early British rule and

concluding in the late twentieth century Tracking various shifts and displacements in doctrinal thought and practice she argues that Indian modernity was initiated largely through debates on gender scripture custom and caste which shaped ideal forms of masculine and feminine conduct She demonstrates the organization of a modern public sphere around the controversies cultural imaginaries and political agitations over such issues as the age of consent child marriage widow remarriage rape laws and intercaste and interfaith relations Gender norms are shown leaching into social attitudes labor processes and legal rights leading eventually to modern Indian feminism Closely analyzing the interpenetration and co constitution of religion politics and gender in India while also comparing parallel developments in Pakistan and Bangladesh this pioneering work offers a brilliant and synthesizing account of the battles between orthodoxy and its opponents over two hundred years No historian no feminist no student of politics can afford to miss it

Honour Based Crimes and the Law

Mukaddes Gorar, 2021-05-10 Honour based violence and abuse manifests itself in different forms and this book offers a comprehensive understanding of this phenomenon This book argues that the limits of honour crimes must be defined more widely so that they include conducts and behaviours that originate from the patriarchal notion of honour such as honour based oppression and breast ironing The book provides a critical analysis and synthesis of the law in England and Wales and in the international human rights sphere The relevant domestic legislation and cases are examined to reflect on whether adequate protection is provided for the victims and potential victims of honour based violence and abuse Since honour based violence is a violation of human rights the relevant international human rights law is examined to illustrate the perception of such crimes in the international arena The effectiveness of any remedy for victims of honour based violence and abuse depends on its capability to change deep rooted behaviours in communities with honour based patriarchal values This book argues that the law does not provide the effective impact required in part due to patriarchal structures and that more efforts should be dedicated to changes in education It is held that there is a need for an educational programme that is especially designed to tackle violence and promote gender equality The book will be essential reading for academics researchers and policy makers working in the areas of Human Rights Law Criminal Law and Gender Studies
