Stage 1: 0-4 Years, Stage 2: 4-7 Years, Stage 3: 7-10 Years. **Teach your child Islam, Iman, and Ihsan** Dr. Abdul Qader Ismail, 2022-06-16. In today's secular world, how can we as parents of young children impart upon them the same love for Allah and His Prophet that our parents gifted us that will help nurture them to be practicing Muslims and good people? This book is meant to serve as a resource for parents to teach our children basic aspects of our faith. It will also help us delve deeper so our children gain an understanding of the Divine Wisdom behind these tenants and the everyday things we say and do. There are over 50 short chapters including Allah the One True God, What did the Prophet peace be upon him look like, Quran the final Revelation, How should we spend our time, Learning to control our anger, How should we treat our neighbours, How important is it to tell the truth, Mash Allah, being happy for others and not feeling jealous, What will happen to good Muslims after they die. Each chapter is written in easy-to-understand English with questions and activities to help enhance reflection and understanding. **Religious Diversity and Children's Literature** Connie R. Green, Sandra Brenneman Oldendorf, 2011-05-01. This book is an invaluable resource for enabling teachers, religious educators, and families to learn about religious diversity themselves and to teach children about both their own religion as well as the beliefs of others. The traditions featured include indigenous beliefs throughout the world, Native American spirituality, Hinduism, Buddhism, Judaism, Christianity, Orthodoxy, Catholicism, and Protestantism, Islam, Sikhism, and other beliefs such as Bahá'í, Unitarian Universalism, Humanism, and Atheism. Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs, misconceptions, sacred texts, and holy days or celebrations. This summary of each tradition is followed by extensive annotated recommendations for children's and adolescent literature as well as suggested teaching strategies. The recommended literature includes informational books, traditional religious stories, and fiction with religious themes. Teachers, religious educators, and family members will find the literature from these genres to be invaluable tools for bridging the religious experience of the child with that of the global society in which they live. **World Religions and Islam** Hamid Naseem Rafiabadi, 2003. This book is a collection of valuable articles written by eminent scholars belonging to various religious denominations and researchers and teachers of Islamic studies. The book is also meant to cater to the requirements of the students of comparative religions and Islamology. *Married to Islam* M. F. Sawyer, Dalia

Shah,2007-05 Dalia Shah was a European who converted to Islam Then she met and married an Arab European Moslem At first things went well but things changed Religious differences cultural problems and her husband s depression all hurt her marriage and their children This book tells of her early life and her dissatisfaction with Christianity in her home country We share her travels abroad as a young woman including a trip to Israel where she learned about Judaism We also learn of her early studies of Buddhism It was the Islam of the Koran that caught her though Except the Islam she thought she had joined is not that of the Koran Instead it is something skewed by people for very selfish ends It is especially hurtful for women Dalia reveals the secrets of the Marriage Contract which properly done gives the spouse ensured child property and divorce rights along with freedom of travel The events of 9 11 absolutely effected her marriage Her perspectives as a Christian born European Islamic woman to the War on Terror and the terrorists themselves are another very interesting part of Married To Islam Surprises abound here This is a book from which Christians Moslems and Jews can all gain a new understanding Any persons thinking of marrying an Islamic person should absolutely read this the Marriage Contract information alone makes it utterly worthwhile It was wonderful to work with Dalia To keep such a positive spirit after all she has endured sometimes I think she has the patience of a saint M F Sawyer Coauthor Reading this book I got to where I couldn t wait to find out what was going to happen next Rebecca McDonald
