Family, Children, and Tourism in China Mimi Li, Xinran Lehto, 2021-12-14 This edited volume explores various issues in family tourism studies and complements the dramatic development of this market segment in China The book concentrates on family and children tourism and through its chapters hopes to enrich the landscape of family tourism in academia The family market in tourism has received increasing attention over past decades Yet academic endeavors in this area remain somewhat lacking in depth and scope In addition to imbalanced contributions from authors of diverse backgrounds the extant literature suffers from insufficient inclusion of children Relevant studies are largely limited to conventional tourism destinations such as beaches and cultural attractions In response to growing academic interest in family tourism this book is a compilation of eight chapters that attempt to push the scope and boundaries of existing research on family tourism The chapters in this book were originally published as a special issue of the *Journal of China Tourism Research*

New York School Journal , 1899 **Journals of Forty-niners** LeRoy Reuben Hafen, Ann Woodbury Hafen, 1998-01-01 Western history is all the richer thanks to LeRoy and Ann Hafen who have assembled a fascinating array of diaries and memoirs of forty niners who set out from Salt Lake City toward California s gold fields over the Old Spanish Trail For many would be gold miners this dry dangerous route was preferable to crossing the Sierra Nevada The Donner party disaster was only three years old and fresh in the minds of many In reality the choice of the southern route did not ease travelers efforts The unremitting heat and lack of water killed more people and animals than the snows of the mountains Jacob Stover s narrative provides fine descriptions of these challenges especially the difficulty in transporting supplies Of added interest is the journal of Henry Bigler a former member of the Mormon Battalion who was the first person to record Marshall s discovery of gold at Sutter s Mill

Modernism and the Poetics of Youth Leslie J. Harkema, 2017-01-01 In Spanish Modernism and the Poetics of Youth From Miguel de Unamuno to La Joven Literatura Leslie J Harkema analyzes the literature of the modernist period in Spain in light of the emergence of youth culture in the late nineteenth and early twentieth century Harkema argues for the prominent role played by Miguel de Unamuno as a poet essayist and public figure in Spanish writers response to this phenomenon She demonstrates how early twentieth century Spanish literature participated in the glorification of adolescence and questioning of Bildung seen elsewhere in European modernism in ways that were not only aesthetic but also political Harkema critically re examines the relationship between Unamuno and several Spanish writers associated with the so called Generation of 1927 known as at the time as la joven literatura or the young literature By situating this period within the wider framework of European modernism Spanish Modernism and the Poetics of Youth brings to light the central role that the early twentieth century s re imagining of adolescence and youth played in the development of literary modernism in Spain **Air Force Journal of Logistics** ,1990
