New England Nation The Country The Puritans Built:

New England Nation B. Daniels, 2012-09-06 Out of European revolutions and social upheaval an extraordinary society of literate pious and prosperous English Puritans flowered in seventeenth century New England This wonderfully readable history recreates the world of Puritan New England and places it in the broad sweep of history The book provides a fascinating look into Puritan society with sailors sinners women children and Native Americans joining the usual Puritan ministers of the seventeenth century Combining remarkable primary sources with an enjoyable narrative this book reveals the New England Nation in its fullness and complexity and reveals striking parallels with the America of today *The Shock of Colonialism in New England* Meghan C. L. Howey, 2025 In *The Shock of Colonialism in New England* archaeologist Meghan C L Howey uses excavations in the magnificent seventeenth century frontier colony of the Great Bay Estuary P8bagok in today's New Hampshire to trace the direct line of European global colonialism to the present crises Howey shows how this site outside of the hub of the Puritan Massachusetts Bay Colony in Boston holds overlooked stories of what it meant to live through the shock of colonialism These stories include an unexpected diversity and dynamism among English colonists nuanced multifaceted encounters with Indigenous peoples whose ancestors had thrived here for millennia and lasting degrading environmental legacies of labor intensive industries

They Came for Freedom Jay Milbrandt, 2017-10-03 A page turning story of the Pilgrims the courageous band of freedom seekers who set out for a new life for themselves and forever changed the course of history Once a year at Thanksgiving we encounter Pilgrims as folksy people in funny hats before promptly forgetting them In the centuries since America began the Pilgrims have been relegated to folklore and children's stories fairy tale mascots for holiday parties and greeting cards The true story of the Pilgrim Fathers could not be more different Beginning with the execution of two pastors deviating from the Elizabethan Church of England the Pilgrims great journey was one of courageous faith daring escape and tenuous survival Theirs is the story of refugees who fled intense religious persecution of dreamers who voyaged the Atlantic and into the unknown when all other attempts had led to near certain death of survivors who struggled with newfound freedom Loneliness led to starvation tension gave way to war with natives and suspicion broke the back of the very freedom they endeavored to achieve Despite the pain and turmoil of this high stakes triumph the Pilgrim Fathers built the cornerstone for a nation dedicated to faith freedom and thankfulness This is the epic story of the Pilgrims an adventure that laid the bedrock for the Founding Fathers the Constitution and the American identity
