The Why Series Sam Tollett, 2021-06-22 What I love about the Bible is you don't have to wait until the book of Matthew to discover Jesus God has intentionally planted Jesus in the Old Testament from the very beginning When you begin to read the Old Testament with Jesus tinted lenses then it becomes incredible at what you discover I relate looking for Jesus in the Old Testament to digging gold in an old abandoned gold mine When you dig up a piece of gold you don't want to quit You are inspired to dig harder and dig deeper to find more You catch gold fever I have found when people no longer see the Old Testament as an old abandoned part of the Bible and begin to dig for Jesus what they will discover is a wealth of Jesus gold When this happens they catch the Jesus Fever

Read the Bible like a Mystic Carl McColman, 2025-06-10 There is a better way to read the Bible with the eyes of a mystic and the heart of contemplation Can the Bible be saved More and more Christians are troubled by how difficult passages in the Bible can be used to promote sexism homophobia hostility to other faiths and other problems but a sterile academic reading of the sacred text seems spiritually unfulfilling Carl McColman author of *The New Big Book of Christian Mysticism* reminds us that there is an ancient third way of approaching the Bible reading scripture like a mystic This contemplative approach to the Bible understands that much of the sacred text was never meant to be taken literally yet this approach maintains that spiritual wisdom guidance in prayer and encouragement for meditation are encoded throughout the sacred text Read the Bible like a Mystic will help Christians find an expanded relationship with their sacred textbook and it will also invite all people Christian and non Christian alike to bring together the wisdom of the written word with the wisdom of the contemplative life and the call to foster peace justice and equality in our world Whether you come to the Bible from a preexisting interest in Christianity or mysticism this book shows how contemplative wisdom unlocks the liberating power of the Word for our time
