Massa, 2014-11-21 Never in her wildest dreams could she imagine that the day she called her special day would change not only her life but also her daughters It was the day that the mother with the help of her daughter decided Mom would live one day on the crazy and wild side the day that would change each of the womens lives forever a day that would last each of them a life time and beyond as they learned life after death truly exists **Never Too Old to Dream** Theresa Lockwood, 2011-11-22 Theresa was a normal happy little girl till one day her whole world came crashing down The first turning point for her was when her father left the family home she adored her father she couldnt understand why he had walked out of her life She grew up being bitter to wards life especially men but when she was 17yrs she met a young man and the following year they married Some years later Theresa now aged 37yrs and after divorcing her 1st and later her 2nd husband life began to improve for her Then one day returning home from work she realised she was being followed as she neared a row of shops she was suddenly attacked from behind it was her ex husband Richard He pushed her hard to the wall and held her with his body restraining her from running one hand around her throat the other raised into a fist She wanted to scream but his grip was too tight expecting his fist she closed her eyes and prayed In desperation she kicked out catching him on the leg with the heel of her shoe he cried out loosing his grip on her She tried to run he lunged at her once again catching her by her hair pulling her violently backwards she lost her footing and fell through the glass shop window Richard then turned and fled as the shopkeeper upon hearing the crash came running shouting he would call the police she was saved She managed to reach home and once inside doors firmly locked and bolted

she sank into her big arm chair and sobbed uncontrollably she was lucky no major injuries Life she realised was slowly once again turning against her everything she had fought so hard for was slowly slipping away she could not and would not go through her past life style again it was too painful and horrific she had to fight against the cruel hand of fate anyway she could her strength yet again would be put to the test Her only solace was her beloved Adam **Still Never Too Old to**
