OECD Public Governance Reviews Open Government Review of Brazil Towards an Integrated Open Government Agenda OECD,2022-06-21 The Open Government Review of Brazil provides an evidence based assessment of the country s open government agenda against the ten provisions of the OECD Recommendation of the Council on Open Government *OECD Public Governance Reviews Open Government Review of Romania* OECD,2023-07-07 The Open Government Review provides an evidence based assessment of the country s open government agenda against the ten provisions of the OECD Recommendation of the Council on Open Government The review takes stock of past reform efforts and provides guidance for Romania in designing implementing monitoring and evaluating an integrated policy agenda to improve the relationship between government and citizens and the way they interact *The United Nations Convention Against Corruption* Cecily Rose,Michael Kubiciel,Oliver Landwehr,2019-01-24 The United Nations Convention against Corruption includes 71 articles and takes a notably comprehensive approach to the problem of corruption as it addresses prevention criminalization international cooperation and asset recovery Since it came into force more than a decade ago the Convention has attracted nearly universal participation by states As a global and comprehensive convention which establishes new rules in several areas of anti corruption law and helps shape domestic laws and policies around the world this treaty calls for scholarly study This volume helps to fill a gap in existing academic literature by providing an invaluable reference work on the Convention It provides systematic coverage of the treaty with each chapter discussing the relevant travaux pr paratoires the text of the final article comparisons with other anti corruption treaties and available information about domestic implementing legislation and enforcement This commentary is designed to serve as a reference work for academics lawyers and policy makers working in the anti corruption field and in the fields of transnational criminal law and domestic criminal law Contributors include anti corruption experts scholars and legal practitioners from around the globe *Extraction, Refining, and Fabrication of Light Metals* M. Sahoo,P. Pinfold,2017-05-04 World class scientists and engineers from more than six countries presented thirty five papers on topics such as magnesium casting technology metal matrix composites mathematical modelling solidification and reduction of light metals Metal matrix composites are an important class of advanced industrial materials and significant advances have been achieved recently on the fabrication and characterization of their microstructures and mechanical properties **NOAA Resource Guide** ,1995 **Advanced PHP for Flash** Steve Webster, Frank Rice, James Dean Palmer, Kev Sutherland, Todd Marks, Jacob Hanson, Harvard Eide, 2013-11-11 Advanced PHP for Flash is the follow up to the hugely popular Foundation PHP for Flash The main aim of this book is to extend the reader s knowledge of using PHP and MySQL to produce dynamic content for Flash Essentially it picks up the baton from the first book and runs with it until there s no more road The book takes the reader from being an intermediate to an advanced PHP Flash developer and helps them create some awesome Flash based web applications along the way It

covers the core PHP features as well as some exciting extras that follow on directly from the knowledge gained in the first chapter and show the reader how to use them in real world applications This book covers Sessions File Uploading Advanced MySQL Socket Functions PHP and XML Ming Plus fully functional case studies This book is aimed squarely at those readers who want to create dynamic Flash based web applications and especially at those who have finished the first book and are hungry for more As this book is pitched at those with an intermediate knowledge of PHP and a decent grasp of MySQL it has the advantage of being useful to both programmers and those coming over from the first book

Rethinking Global Democracy in Brazil Markus Fraundorfer, 2017-11-01 In recent years a growing literature has focused on how to create more effective and democratic global governance mechanisms to better tackle global challenges such as health epidemics global hunger Internet surveillance or the consequences of climate change Yet there is a gap in accessible published material to reflect contributions of democratic states from the global South Among these democracies from the global South Brazil is a popular case for teachers and researchers looking to study global governance mechanisms This book provides students with a framework that challenges the Western centred views on questions of how to democratise global governance processes arguing that developing democracies from the global South have developed serious and sustainable approaches to a more democratic global system With chapters on Brazil s responses to global food security the purchase of drugs open government initiatives and internet governance this book opens up contemporary and novel practices of democracy for examination
