 RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the
 national portion of state license exams from coast to coast Our content is drawn from our own national textbook Principles of
 Real Estate Practice one of the most widely used principles textbooks in the country Finally our national content as well as
 our question selection is further tailored to the state testing outline promulgated by Pearson Vue for Oklahoma Thus the
 breadth and depth of the law reviews and test questions reflect the topic emphasis of Pearson Vue's Oklahoma license exam
 A word about the test questions OK RELEP's testing practice section consists of ten national practice tests six state practice
 tests and one state exam sample test The practice tests are roughly 50 questions in length and the sample test is 100

 the total body of information tested by your state exam The questions are direct to the point and designed to test your
 understanding When you have completed a given test you can check your answers against the answer key in the appendix
 You may also note that each question's answer is accompanied by a brief explanation or rationale to further reinforce your
