The Old Curiosity Shop Charles Dickens, 2009-01-01 It is impossible to overstate the importance of British novelist CHARLES DICKENS 1812 1870 not only to literature in the English language but to Western civilization on the whole He is arguably the first fiction writer to have become an international celebrity He popularized episodic fiction and the cliffhanger which had a profound influence on the development of film and television He is entirely responsible for the popular image of Victorian London that still lingers today and his characters from *Oliver Twist* to Ebenezer Scrooge from Miss Havisham to Uriah Heep have become not merely iconic but mythic But it was his stirring portraits of ordinary people not the upper classes or the aristocracy and his fervent cries for social moral and legal justice for the working poor and in particular for poor children in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century Without Charles Dickens we may never have seen the likes of Sherlock Holmes Upton Sinclair or even Bob Dylan Here in 30 beautiful volumes complete with all the original illustrations is every published word written by one of the most important writers ever The essential collector's set will delight anyone who cherishes English literature and who takes pleasure in constantly rediscovering its joys This volume contains Part I of *The Old Curiosity Shop* which was originally serialized in Dickens's own periodical *Master Humphrey's Clock* in 1840 and 1841 The story of the orphan Nell Trent who lives with her grandfather in the establishment by which the book takes its name it is both beloved and disparaged for Dickens's treatment of as Oscar Wilde famously termed it the death of little Nell the suspense surrounding which was

The Old Curiosity Shop by Charles Dickens Charles Dickens,2020-09-20 Little Nell Trent lives in the quiet gloom of the old curiosity shop with her ailing grandfather for whom she cares with selfless devotion But when they are unable to pay their debts to the stunted lecherous and demonic money lender Daniel Quilp the shop is seized and they are forced to flee thrown into a shadowy world in which there seems to be no safe haven Dickens's portrayal of the innocent tragic Nell made The Old Curiosity Shop an instant bestseller that captured the hearts of the nation even as it was criticised for its sentimentality by figures such as Oscar Wilde Yet alongside the story's pathos are some of Dickens's greatest comic and grotesque creations the ne'er do well Dick Swiveller the mannish lawyer Sally Brass the half starved Marchioness and the lustful loathsome Quilp himself
