Teacher Action Goal (or PGP)	
Professional growth goal	I believe I'm currently at a level 1 on A1 (5D+) and intend to reach a level 3 (proficiency) described as: "Students frequently assessing their own learning in relation to the success criteria for the learning targets."
Specific Support Need, if applicable	I will need the support of the math department to determine the best ways for students to track their own progress.

NOTE: Specific Action Steps are articulated after the goals. Teachers may duplicate fields to have up to three teacher actions or up to a combination of five goals between Teacher Action and Student Impact Goals.
