THE HOLY BIBLE: Updated American Standard Version (UASV) Christian Publishing House, 2022-02-07 The Updated American Standard Version UASV is a literal translation Translating from the original languages of Hebrew Aramaic and Greek is a task unlike any other and should never be taken lightly It carries with it the heaviest responsibility the translator renders God's thoughts into a modern language What does that mean It means that our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place In other words our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i.e. reader not the translator The translator remains faithful to this literal translation philosophy unless it has been determined that the rendering will be misunderstood or misinterpreted The translator is not tasked with making the text easy to read but rather to make it as accurately faithful to the original as possible UASV

PURPOSE Our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place **Truth Matters UASV GOAL** Our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i.e. reader not the translator **Translating Truth OUR**

RESOURCES The Updated American Standard Version will be one of the most faithful and accurate translations to date by Christian Publishing House It will remain faithful to the original and what the authors penned We will not go beyond the translator's responsibility into the field of the interpreter Removing the Outdated Passages with the Old English thee's and thou's etc have been replaced with modern English Many words and phrases that were extremely ambiguous or easily misunderstood since the 1901 ASV have been updated according to the best lexicons Verses with difficult word order or vocabulary have been translated into correct English grammar and syntax for easier reading However if the word order of the original conveyed meaning it was kept More Accurate The last 110 years have seen the discovering of far more manuscripts especially the papyri with many manuscripts dating within 100 years of the originals While making more accurate translation choices we have stayed true to the literal translation philosophy of the ASV while other literal translations abandon the philosophy far too often The translator seeks to render the Scriptures accurately without losing what the Bible author penned by changing what the author wrote by distorting or embellishing through imposing what the translator believes the author meant into the original text Accuracy in Bible translation is being faithful to what the original

author wrote the words that he used as opposed to going beyond into the meaning trying to determine what the author meant by his words The latter is the reader's job The translator uses the most reliable accurate critical texts e.g. WH NA UBS BHS as well as the original language texts versions and other sources that will help him to determine the original reading Why the Need for Updated Translations New manuscript discoveries Changes in the language A better understanding of the original languages Improved insight into Bible translation

Father Abraham Has Many Sons and Daughters Rabih Sabra, 2021-03-31 Racism greed and politics these are skeletons from the past that have come to haunt the Church and the younger generations are demanding answers In the United States the African American community holds the white church responsible for their plight with slavery Throughout history the Church has been under pressure to negotiate a secular compromise that nullifies its testimony Is the Church going to continue in denial or will it model the gospel's transforming power Father Abraham has Many Sons and Daughters highlights the Church as the family of transformed relationships It focuses on transformation among the people of God and how it forms the foundation for our witness today Traditional studies of how the gospel transforms individuals and communities focus on the believer's character as the predictor of transformation This book brings a needed balance by focusing on Kingdom relationships as the context of transformation through the gospel of Jesus Christ

God: Trail of Evidence D.W. Outlaw, 2011-07-12 Years ago The World missed the true Identity of Jesus Why because he was a man Today we are on a straight path to repeat the exact same mistake a second time for the exact same reason The past 20 years this world has been a revolution of technology advancements In the past 100 years more historical evidence has been unearthed than throughout written history Religion however is still basically the same as it was in the Middle Ages Why In this book you will find that when Science is viewed from the proper perspective it is the anchor of evidence that proves who God actually is Supported not only by mankind's history but is actually the only evidence that the Bible itself supports Read it for yourself Learn where the Bible originated from and what's actually in it There is only one truth in the world It is where Science and History meet You will be surprised to find that it is also where the Bible has been all along In life the decision regarding your relationship with God ultimately falls on you The Quest for the Truth Is it in you
