Never Quit The Fight:

Quitting, Not an Option Gladys Cooper Goveia, 2015-09-10 If you want to discover who you are who you are meant to be and who God has called you to be you cannot quit In life you will face opposition but in the face of opposition quitting is not an option Do not quit God has a plan for your life You are valuable to Him and to those He has placed around you He loves you and He wants you to succeed and win in life If you quit you will never see the end of a matter When you quit you stop developing you stop going forward you stagnate You stay the same year after year If you quit you will not reach your full potential You will not reach your destination if you quit You will not see what you could have or should have been In quitting you not only forfeit your God given potential you forfeit your opportunity to impact the lives of others If you want to have an impact you cannot give up If you want to go where no one has ever been and do what others have not done you cannot quit
