Murder By The Collar

Steven E. Barkan, Michael Rocque

Murder By The Collar:

Crime and Power Pamela Davies, Tanya Wyatt, 2020-11-13 This textbook makes a concerted effort to expose crimes committed by those wielding unfettered personal power and crimes by corporations business and states crimes against human and non human species and the environment It examines an increasingly complex interplay of issues which surely should be at the heart of any criminology programme This text adopts a fresh and innovative approach to exposing the crimes of the powerful situating and understanding crimes and victimisations as it does within a framework where questions of structural and personal power in society are key Fourteen case studies are threaded throughout the book and this methodology is used as a teaching resource for studying and uncovering the crimes of the powerful The first three chapters comprehensively contextualise the problems of crime and power and establish the importance of power to understanding crime and victimisation in society The chapters within Part I and Part II of the book then explore individual and group power respectively Each of these chapters explore a case study or case examples followed by Pause for Thought questions Bigger Go Further study questions are posed at the close of these chapters challenging students to engage in their own case study research to investigate the dynamics of crime and power *Task Force Report; Organized Crime* United States. Task Force on Organized Crime, 1967 This volume presents five documents from the President's Commission on Law Enforcement and Administration of Justice the chapter containing the findings and recommendations relating to the organized crime problems facing the United States and four background papers submitted by outside consultants The analyses in the Commission report chapter focused on the types and locations of organized crime the corruption of law enforcement and political systems the membership and organization of criminal cartels efforts to control organized crime and a proposed national strategy against organized crime Recommendations related to methods of proving criminal violations investigation and prosecution units citizens crime commissions and noncriminal controls such as regulations and media coverage The four consultants reports examined the functions and structure of criminal syndicates corruption of public officials in one jurisdiction evidence collection in organized crime and the economic analysis of organized crime **Criminological Theories** Suzette Cote, 2002-03-19 This anthology is a superb collection of 36 articles covering all of the major theories past and present that inform criminology today What truly sets this volume apart is the inclusion of many articles discussing novel and often overlooked perspectives in criminological theory In fact many of these articles have never before been included in a reader Each article is framed by an introductory overview discussing the article's importance the context for its development and the author and concludes with discussion questions These articles include a thorough examination of topics such as white collar crime and developmental criminology as well a discussions of integrated theories that consider genetics psychology and environmental approaches As most journal articles are typically written for a professional audience the original articles have been substantially edited and abridged to make them more accessible to students The resulting reader will prove to be

an invaluable resource for any undergraduate or graduate course where criminological theory plays a central role *Task Force Report: Crime and Its Impact--an Assessment* United States. Task Force on Assessment of Crime, United States. Task Force on Assessment, 1967 An overview of the urban crime problem containing the results of a number of research studies and consultant papers This volume makes use of the results of three major public surveys to examine the problem of unreported crime public attitudes toward crime and law enforcement the characteristics of victims and victim offender relationships and a variety of other crime problems Chapters are devoted to the special problems of the economic burden of crime white collar crime and an appraisal of the current national system of statistical accounting on crime and criminal justice matters There are three appendices prepared by consultants two methodological notes and a series of tables of crime rates for index offenses by city rank Key Concepts in Crime and Society Ross Coomber, Joseph F Donnermeyer, Karen McElrath, John Scott, 2014-12-15 A crucial text for whetting the academic appetite of those studying criminology at university The comprehensive engagement with key crime and deviance debates and issues make this a perfect springboard for launching into the complex diverse and exciting realm of researching criminology Dr Ruth Penfold Mounce University of York Essential reading for those new to the discipline and an invaluable reference point for those well versed in criminology and the sociology of crime and deviance Dr Mark Monaghan University of Leeds Key Concepts in Crime and Society offers an authoritative introduction to key issues in the area of crime as it connects to society By providing critical insight into the key issues within each concept as well as highlighted cross references to other key concepts students will be helped to grasp a clear understanding of each of the topics covered and how they relate to broader areas of crime and criminality The book is divided into three parts Understanding Crime and Criminality introduces topics such as the social construction of crime and deviance social control the fear of crime poverty and exclusion white collar crime victims of crime race gender and crime Types of Crime and Criminality explores examples including human trafficking sex work drug crime environmental crime cyber crime war crime terrorism and interpersonal violence Responses to Crime looks at areas such as crime and the media policing moral panics deterrence prisons and rehabilitation The book provides an up to date critical understanding on a wide range of crime related topics covering the major concepts students are likely to encounter within the fields of sociology criminology and across the social sciences Internal Investigations of Economic Crime Petter Gottschalk, 2015-08-18 Private internal investigations by fraud examiners is a growing business for professional services firms This book presents evaluations of a number of investigation reports in the United States and Norway The book discusses self regulation and regulatory policy Convenience theory is introduced as an integrated explanation of white collar crime The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work

surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present. It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services. Among other things, this encyclopedia explicates philosophical foundations underpinning our system of justice, charts changing patterns in criminal activity and subsequent effects on legal responses, identifies major periods in the development of our system of criminal justice, and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment. Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U.S. system of law and justice.

Crime Prevention Steven E. Barkan, Michael Rocque, 2020-01-31. In *Crime Prevention: Programs, Policies, and Practices*, criminologists Steven E. Barkan and Michael Rocque present a well-rounded exploration of evidence-based policies, programs, and practices grounded in criminological theory and emphasizing the social psychological and biological roots of crime. This text presents current research perspectives and examples that capture the key crime prevention concepts students should understand, including the public health model for crime prevention. Highlighting the importance of applying theory to real-world solutions, the authors' discussion of crime prevention strategies integrates theory and practice throughout the text.

Corporate Crime Under Attack Francis T. Cullen, Gray Cavender, William J. Maakestad, Michael L. Benson, 2014-09-25. In exploring the criminalization of corporations, this book uses the landmark *Ford Pinto* case as a centerpiece for exploring corporate violence and the long effort to bring such harm within the reach of the criminal law. Corporations that illegally endanger human life now must negotiate the surveillance of government regulators and risk civil suits from injured parties seeking financial compensation. They also may be charged with criminal offenses and their officials sent to prison.

The Color of Crime Katheryn Russell-Brown, 1998. As if crime and race in the US were not volatile enough, issues independently there is their explosive interface. This is the territory staked out by Russell's criminology and criminal justice. U of Maryland who probes racial stereotypes some perpetuated by scientific racism, the hoaxes they have spawned, differing views of police actions by race, and affirmative race law. A public police contact survey and case summaries of recent racial hoaxes are appended. Annotation copyrighted by Book News Inc. Portland, OR.
