Murder of the Horse Trainer's Rival: The Bitter Breakup of Buddy Jacobson and the Model (A Historical True Crime Short) R. training and subsequent romantic involvement with someone less than half his age ending up in a tragic crime of passion had all the makings of an ill fated contemporary melodrama except that it occurred on a real life stage as a sad true event Bonus material includes a complete and gripping historical true crime short Murder of the Banker's Daughter The Killing of Marion Parker and excerpts from the author's bestselling true crime anthologies Murder Chronicles A Collection of Chilling True Crime Tales and The Dreadful Acts of Jack the Ripper and Other True Tales of Serial Murder and Prostitutes *Murder of the Banker's Daughter: The Killing of Marion Parker (A True Crime Short)* R. Barri Flowers, From award winning criminologist R Barri Flowers and the bestselling author of Murder at the Pencil Factory and The Sex Slave Murders comes a powerful new historical true crime short Murder of the Banker's Daughter The Killing of Marion Parker On December 15 1927 12 year old Marion Parker daughter of a prominent banker was brazenly abducted from her junior high school in Los Angeles California in a bizarre ransom scheme Two days later the girl's dismembered remains were left behind by a brutal killer destroying a family and unnerving the entire city This caused pandemonium as the perpetrator managed to evade immediate capture leading to a manhunt by authorities unlike any in recent memory The horror of the crime was reminiscent of one 14 years earlier involving 13 year old Mary Phagan who was murdered at a pencil factory in Atlanta and 5 years later when the 20 month old son of famed aviator Charles Lindbergh was abducted from the family's New Jersey home and brutally slain The killer of Marion Parker was identified as former bank messenger William Edward Hickman a 19 year old with a score to settle and an appetite for killing The career criminal's capture trial and ultimate fate captured the public's imagination while putting attention on the age old vulnerability of children in this country targeted by child predators and the often tragic consequences that rings true to this day Included with the story are bonus excerpts of R Barri Flowers bestselling true crime shorts Murder at the Pencil Factory and Mass Murder in the Sky as well as an excerpt of the author's international bestselling true crime book The Sex Slave Murders [70 Years of Murder](#) Patricia Taylor, [Crime Logic](#) Serena Cortez, AI, 2025-05-05 Crime Logic explores the fascinating intersection of detective fiction and real world criminal investigation revealing how fictional narratives both mirror and shape the realities of law enforcement It argues that despite the dramatization inherent in detective stories fundamental principles of logical reasoning problem solving and decision making under uncertainty are shared between fictional detectives and real investigators For instance the book examines recurring tropes like suspect profiling and crime scene analysis comparing their fictional representations with actual investigative techniques The book delves into the history of detective fiction tracing the evolution of iconic detectives and their methods alongside changing societal attitudes towards crime By analyzing elements such as witness testimony the book highlights potential cognitive biases that affect both fictional and real investigations It uniquely combines literary analysis psychological insights and true crime case studies making it valuable for anyone interested in psychology law enforcement or the true crime genre The book progresses systematically across chapters building from the history of detective fiction to

Lucy Andrew, Samuel Saunders, 2021-07-24 This book aims to establish the position of the sidekick character in the crime and detective fiction literary genres It re-evaluates the traditional view that the sidekick character in these genres is often overlooked as having a small generic or singular role either to act as the foil to the detective in order to accentuate their own abilities at solving crimes or else to simply tell the story to the reader Instead essays in the collection explore the representations and functions of the detective's sidekick across a range of forms and subgenres of crime fiction By incorporating forms such as children's detective fiction comics and graphic novels and film and television alongside the more traditional fare of novels and short stories this book aims to break down the boundaries that sometimes exist between these

forms using the sidekick as a defining thread to link them together into a wider conceptual argument that covers a broad range of crime narratives *The Amityville Massacre: The DeFeo Family's Nightmare (A True Crime Short)* R.
