Murder And Its Consequences Essays On Capital Punishment In America:

Murder and Its Consequences Leigh B. Bienen, 2010-08-31 Resource added for the Psychology includes Sociology 108091 courses **The International Library of Essays on Capital Punishment, Volume 2** Peter Hodgkinson, 2016-12-05 The essays selected for this volume develop conventional abolition discourse and explore the conceptual framework through which abolition is understood and posited Of particular interest is the attention given to an integral but often forgotten element of the abolition debate alternatives to capital punishment The volume also provides an account of strategies employed by the abolition community which challenges tired methodologies and offers a level of transparency previously unseen This collection tackles complex but fundamental components of the capital punishment debate using empirical data and expert observations and is essential reading for those wishing to comprehend the fundamental issues which underpin capital punishment discourse *The Social History of Crime and Punishment in America: A-De* Wilbur R. Miller, 2012-08-10 This comprehensive and authoritative four volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present *The International Library of Essays on Capital Punishment, Volume 1* Peter Hodgkinson, 2016-12-05 This volume provides up to date and nuanced analysis across a wide spectrum of capital punishment issues The essays move beyond the conventional legal approach and propose fresh perspectives including a unique critique of the abolition sector Written by a range of leading experts with diverse geographical methodological and conceptual approaches the essays in this volume challenge received wisdom and embrace a holistic understanding of capital punishment based on practical experience and empirical data This collection is indispensable reading for anyone seeking a comprehensive and detailed understanding of the complexity of the death penalty discourse **The International Library of Essays on Capital Punishment, Volume 3** Peter Hodgkinson, 2016-12-05 This volume provides analyses of a range of subjects and issues in the death penalty debate from medicine to the media The essays address in particular the personal complexities of those involved a fundamental part of the subject usually overridden by the theoretical and legal aspects of the debate The unique personal vantage offered by this volume makes it essential reading for anyone interested in going beyond the removed theoretical understanding of the death penalty to better comprehending its fundamental humanity Additionally the international range of the analysis enabling disaggregation of country specific motivations ensures the complexities of the death penalty are also considered from a global perspective [The Death Penalty in America](#) Hugo Adam Bedau, 1998-05-28 A J Richards **Society, Ethics, and the Law: A Reader** David A. Mackey, Kathryn M. Elvey, 2020-02-06 Society Ethics and the Law A Reader is an engaging thoughtful and academic text designed to help students make connections to ethical issues using real world examples and thought provoking discussion questions Comprised of 57 original articles topics range from traditional philosophical based academic articles to conversational style narratives of practitioners experiences with ethical issues within the criminal justice

system Content spans areas of criminal justice from traditional police courts and corrections to popular culture rap social media and technology to timely immigration gun control and mental health Authored by real world experts Character in Context sections illustrate how ethics impacts daily life These include among others Jim Obergefell s perspective on society ethics and the law as it relates to his experience as plaintiff in the Supreme Court Case Obergefell V Hodges the case that legalized gay marriage

Deathquest Robert M. Bohm,2011 A textbook on the death penalty that engages the reader with a full account of the arguments and issues surrounding capital punishment It begins with the history of the death penalty from colonial to modern times and then examines the moral and legal arguments for and against capital punishment

The Bitter Fruit of American Justice Alan William Clarke,Laurelyn Whitt,2007 A study of the increasing international opposition to and growing domestic disaffection from the death penalty in America

The Problem with Capital Punishment and Why It Should Be Abolished in America Vincent R. Jones Sr.,2023-11-06 One of the most controversial subjects in criminal law is whether or not we should continue to use capital punishment as the ultimate punitive sanction The intended focus of The Problem with Capital Punishment and Why It Should Be Abolished in America is to take a harsh critical look at theories in support of the use of this form of punishment and expose the truth about capital punishment it is extremely costly it is arbitrarily applied there have been too many innocent persons exonerated from death row and the only consistency with execution seems to be that of the mentally ill the poor and those without adequate legal representation and by using methods that are inhumane and cruel and unusual This book shows that our current system of capital punishment is fraught with error insanely expensive and administered in such a manner that the possibility of executing a completely innocent person is not only possible but likely if we continue upon our present course After reading this book the reader will be left with no reasonable doubt that the time has come to abolish capital punishment in America
