Murder Mornington Sassy Obrien Mystery:

Murder in Mornington Kemberlee Shortland,2015-11 The last thing Sassy O'Brien expects to find on her morning run is a dead body. An addict of TV crime she thinks. What would Beckett do? She rings the police and then takes several crime scene photos on her phone. Much to Det. Donnelly's dismay, Sassy's involvement becomes instrumental in his investigation as clues are overlooked by his team. But how will Sassy cope when all the clues point to her? **Death at Ashford Castle**

Martha Geaney,2020-01-15 Star O'Brien is a haunting voice for the dead, the missing and the lost. The second Irish cozy mystery set in County Mayo for the fiercely independent inquisitive hates to be disconnected from her cell phone. Amateur sleuth Star O'Brien, a successful American information broker, she's back in Ireland in Cong, County Mayo, chasing down a mysterious woman named Evelyn Cosgrove who may or may not have information about Star's mother who's been missing since Star was six years old. As if Star's life isn't complicated enough, she discovers a female corpse while walking through Cong woods. Star finds herself travelling back and forth from Castlebar to Cong to figure out the motivation behind the victim's murder. Although skeptical of the police, Star determines to talk to them about what and who she saw the night the woman was murdered. There are ghost sightings, mysterious break-ins and a creepy encounter as Star tries to put all the pieces together. But not before there's another victim. Star doesn't accept the police's conclusion for one minute. She vows to find the truth, which she does in a riveting confrontation with the killer. **Death on Clare Island**

Martha Geaney,2018-12-10 Star O'Brien is a haunting voice for the dead, the missing and the lost. Star O'Brien is a successful American information broker who can't solve the mysteries of her own life. She comes to County Mayo, Ireland, to settle her dead lover's estate and look for her Irish mother who has been missing since Star was six years old. She is on the scene on Clare Island when a body is discovered. It seems like a closed case involving the island's dangerous cliffs and drug abuse. Star didn't believe it when the police dismissed her mother's disappearance as abandonment and she can't believe the stories she is hearing about the dead young man. Star must separate truth from fiction in the testimonies of those close to the victim, including the head of an anti-drug foundation, a volatile ex-lover, a besotted young art student and a restorer of the island's ruins. Before long, Star's investigation becomes the catalyst for a second murder and she must work fast to avoid becoming the third victim. As she uncovers the truth about the murders, this fiercely independent complex female protagonist must also own up to her own past and a potential future with a charming new confidant.
