The Artist Book in a Global World Wulf D. von Lucius, Gunnar A. Kaldewey, 2016-11-07 No detailed description available for The Artist Book in a Global World

The Groaning Shelf Pradeep Sebastian, 2012-03-12 Notes from a bibliophile on the lure of rare and first editions the beauty of dust jackets the thrill of browsing in antiquarian bookshops the bibliomania of book thieves movies about books and the inner life of a reader The Groaning Shelf is not so much a book about books as a book about books about books These little essays capture the drama of bookish obsession the joys and snares of the bookish life and the pleasures of bibliophily

Popular Music Autobiography Oliver Lovesey, 2021-12-02 The 1960s saw the nexus of the revolution in popular music by a post war generation amid demographic upheavals and seismic shifts in technology Over the past two decades musicians associated with this period have produced a large amount of important autobiographical writing This book situates these works in the forms of formal autobiographies and memoirs auto fiction songs and self fashioned museum exhibitions within the context of the recent expansion of interest in autobiography disability and celebrity studies It argues that these writings express anxiety over musical originality and authenticity and seeks to dispel their writers celebrity status and particularly the association with a lack of seriousness These works often constitute a meditation on the nature of postmodern fame within a celebrity obsessed culture and paradoxically they aim to regain the private self in a public forum

Lou Reed Anthony DeCurtis, 2017-10-05 A GUARDIAN AND CHOICE BOOK OF THE YEAR A walk on the wild side with the alt rock pioneer GQ

DeCurtis is well placed to trace Reed's five decade career drawing on insider knowledge but skilfully balancing it with detailed research and fascinating interviews. Mojo Magazine As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock. His music at once the height of sanctity and perversity transcended a genre speaking to millions of listeners inspiring a new generation of musicians and forever changing the way we think of that iconic era of sex drugs and rock n roll. Throughout his five decade career Reed embodied artistic self awareness and captured the beauty paranoia and vivacity of his time into an array of hit songs experimental albums and a larger than life persona. With such masterpieces as Sweet Jane and Walk on the Wild Side Reed exerted an influence on popular music rivaled only by the likes of Bob Dylan and the Beatles and is recognized to this day as one of the greatest musicians of the 20th century. Now just a few years after Reed's death comes the thrilling provocative story of his complex life. An acclaimed Rolling Stone contributor Anthony DeCurtis interviewed Reed extensively and knew him well. With unparalleled access to Reed's friends family and dozens of other intimate relations DeCurtis brings Reed's story compellingly alive and deepens our understanding of his indelible music. We travel deep into the underground artist clubs listen along in the studio as the Velvet Underground record their signature work and revel in Reed's relationship with legends like Andy Warhol Patti Smith and David Bowie. Insightful revelatory and intimate Lou Reed is a gripping tribute to a quintessential American icon.

WJEC/Eduqas GCSE Media Studies Student Book – Revised Edition Hayley Sheard, 2022-12-16 The popular WJEC Eduqas GCSE Media Studies Student Book has been revised and updated to reflect the latest amendments to the specifications. It covers the new set products for assessment from 2021 and includes the new set products added for assessment in 2024. A dedicated chapter on the Non Exam Assessment element of the specification providing clear guidance on how students will be assessed. Exam guidance chapter to introduce students to practice questions and the assessment objectives. A variety of activities and extension tasks to help students broaden their knowledge and understanding and encourage independent learning. **Hot Music, Ragmentation, and the Bluing of American Literature** Steven C. Tracy, 2015-06 Hot Music Ragmentation and the Bluing of American Literature examines the diverse ways in which African American hot music influenced American culture particularly literature in early twentieth century America. Steven C Tracy provides a history of the fusion of African

and European elements that formed African American hot music and considers how terms like ragtime jazz and blues developed their own particular meanings for American music and society He draws from the fields of literature literary criticism cultural anthropology American studies and folklore to demonstrate how blues as a musical and poetic form has been a critical influence on American literature from dust jacket *Black and White Music* Casian Anton,2021-08-21 In Black more precisely I investigated the contribution and the artistic merit greater or lesser of black artists 0 03% and white artists 0 05% in the production and writing of their albums The artists investigated in this report are Taylor Swift Kanye West Beyonc Kendrick Lamar Macklemore to achieve this aim I added contribution and artistic merit into one bubble of research and treated the two concepts with the same meaning then I divided the bubble into 8 points of research the second level is about using the findings from the eight points of research to offer a response to three conventional wisdom advanced by black artists and their supporters against the rules and awards offered by The Recording Academy Black in these pages there is an advanced comparative analysis of the music released by famous artists that was never done before Black also it is for future artists waiting to be discovered and what they need to expect once they are part of the music industry Second Edition July 2023 **Popular Music** Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope
