Smucker, 2015-10-06 Among the smiling faces in church on Sunday mornings are those who long for deeper more genuine relationships within their local congregations active intentional relationships that nurture the soul and encourage personal encounters with God Drawing on decades of experience in spiritual direction congregational ministry and seminary teaching this book offers a clear and rich introduction to the theology and practice of spiritual companionship in the Protestant tradition The authors explore the topic in a biblically based and historically informed manner and give practical help for cultivating spiritual relationships in congregations and beyond using stories throughout to illustrate key ideas Discussion questions are included **An Open Place** Daniel Schrock, Marlene Kropf, 2012-11 Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices This book responds to the movement to expand spiritual direction beyond the classic one-on-one model Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience yet very little has been written to provide guidance for starting such groups This book responds to that challenge It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts It examines the many variables among directors directees even meeting spaces that affect and enliven this ministry And it summarizes pitfalls success and discoveries The Long Journey Home Andrew J. Hellerman, 2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives Not a whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are deeply rooted relationally in a local church community that is b passionately playing its part in God's grand story of Creation Fall Redemption and Restoration and c intently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible's teaching about eternity future for the pursuit of individual religious experience in the here and now *Why We Need the Church to Become More Like Jesus* traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian
