Qpb Encyclopedia Of Word And Phrase Origins:

Encyclopedia of Word and Phrase Origins Robert Hendrickson,1997 The Facts on File Encyclopedia of Word and Phrase Origins Robert Hendrickson,2008 The most comprehensive single volume reference of its kind The Facts On File Encyclopedia of Word and Phrase Origins Fourth Edition has been completely updated and expanded and now contains definitions and origins of more than 15 000 words and expressions This encyclopedia features anecdotes and information on the development of a wide range of words including slang proverbs animal and plant names place names nicknames historical expressions foreign language expressions and phrases from literature The emphasis throughout is on words and expressions whose origins are not adequately explained or not addressed at all in standard dictionaries Approximately 2 500 new entries have been added to this edition ranging from Aardsma to zounds **BOOK JACKET QPB Encyclopedia of Word and Phrase Origins** Robert Hendrickson,1998 A tracing of the sometimes bizarre and always fascinating origins and development of over 9000 words and phrases **The Outlandish Companion (Revised and Updated)** Diana Gabaldon,2015-03-31 Perfect for readers of the bestselling Outlander novels and don t miss The Outlandish Companion Volume Two 1 New York Times bestselling author Diana Gabaldon has captivated millions of readers with her critically acclaimed Outlander novels the inspiration for the Starz original series From the moment Claire Randall stepped through a standing stone circle and was thrown back in time to the year 1743 and into a world that threatens life limb loyalty heart soul and everything else Claire has readers have been hungry to know everything about this world and its inhabitants particularly a Scottish soldier named Jamie Fraser In this beautifully illustrated compendium of all things Outlandish Gabaldon covers the first four novels of the main series including full synopses of Outlander Dragonfly in Amber Voyager and Drums of Autumn a complete listing of the characters fictional and historical in the first four novels in the series as well as family trees and genealogical notes a comprehensive glossary and pronunciation guide to Gaelic terms and usage The Gabaldon Theory of Time Travel explained frequently asked questions to the author and her sometimes surprising answers an annotated bibliography essays about medicine and magic in the eighteenth century researching historical fiction creating characters and more professionally cast horoscopes for Jamie and Claire the making of the TV series how we got there from here and what happened next including My Brief Career as a TV Actor behind the scenes photos from the Outlander TV series set For anyone who wants to spend more time with the Outlander characters and the world they inhabit Diana Gabaldon here opens a door through the standing stones and offers a guided tour of what lies within *Uncle John's Bathroom Reader: Extraordinary Book of Facts and Bizarre Information* Bathroom Readers' Institute,2012-05-01 From cannibals to conspiracy theories to the origin stories of candy a compendium of thousands of fun facts to read behind closed doors Our readers asked for it and here it is Uncle John s first collection of his greatest short facts and quick reading material Open up to any page of Extraordinary Book of Facts and you might find a list of say obscure words exocannibals eat enemies indocannibals eat

friends Flip to another page and there s a whole bunch of facts about how long things take a yak s gestation period 258 days On another page kid facts the average four year old laughs 400 times per day grownups about fifteen Get smarter and laugh a lot more with this amazing collection that features thousands of great facts plus word origins myth conceptions conspiracy theories and much much more Arranged for simple and speedy reference this book is the perfect companion for trivia buffs and knowledge junkies everywhere **Savoir Faire** Laura Lee,2015-11-30 An A to Z collection of foreign phrases to add to your lexicon and information about the quirky fascinating origins of the English language Some foreign phrases are so good they become a sort of lingua franca They capture the true zeitgeist where the English translation is just comme ci comme ca If you re a linguistics geek or language lover with a curiosity about the origins of foreign words and phrases you need this beautifully designed reference that includes approximately 1 000 foreign phrases in languages that run the gamut from French to German to Japanese Arabic Sanskrit and more Entries offer precise translations surprising origins and commonly used terms you didn t even know were foreign You may even find a phrase or two that you ve been using incorrectly Also included are phonetic pronunciations and sidebars that explore the quirks of some favorite expressions Don t suffer one more trip to the museum asking yourself What the heck is trompe l oeil Don t put down yet another Umberto Eco novel out of sheer confusion And avoid tumbling into the camp of declassé instead become one of the intelligentsia This handy guide will make you a true cognoscente of culture Praise for Laura Lee Lee s dry humorous tone makes her a charming companion She has a penchant for wordplay that is irresistible San Francisco Chronicle **In a Manner of Speaking** Colin McNairn,2015-04-28 What do the whole kit and caboodle the whole shebang the whole megillah the whole enchilada the whole nine yards the whole box and dice and the full Monty have in common They re all expressions that mean the entire quantity and they re all examples of the breadth and depth of the English speaking world s vocabulary From the multitude of words and phrases in daily use the author of this delightful exploration into what we say and why we say it zeroes in on those expressions and sayings and their variations that are funny quirky just plain folksy or playfully dressed up in rhyme or alliteration Some may have become clichés that as it s said with tongue in cheek should be avoided like the plague Others have been distorted deemed politically incorrect or shrouded in mystery and must bear some explanation Among the topics the author delves into are expressions that shouldn t be taken literally dressed to kill and kick the bucket foreign expressions that crept into English carte blanche carpe diem and que sera sera phrases borrowed from print ads and TV commercials where there s life there s Bud and where the rubber meets the road animal images a barrel of monkeys and chasing your tail and food and drink cast your bread upon the water chew the fat bottom s up and drink as a lord Here s a book for everyone who delights in the mysteries of language and the perfect gift for all the wordies in your life **The Handbook of Historical Linguistics** Brian Joseph,Richard Janda,2008-04-15 The Handbook of Historical Linguistics provides a detailed account of the numerous issues methods and results that characterize current work in historical linguistics the area of linguistics most directly

concerned with language change as well as past language states Contains an extensive introduction that places the study of historical linguistics in its proper context within linguistics and the historical sciences in general Covers the methodology of historical linguistics and presents sophisticated overviews of the principles governing phonological morphological syntactic and semantic change Includes contributions from the leading specialists in the field **Shakespeare and the Power of the Face** James A. Knapp, 2016-03-03 Throughout his plays Shakespeare placed an extraordinary emphasis on the power of the face to reveal or conceal moral character and emotion repeatedly inviting the audience to attend carefully to facial features and expressions The essays collected here disclose that an attention to the power of the face in Shakespeare's England helps explain moments when Shakespeare's language of the self becomes intertwined with his language of the face As the range of these essays demonstrates an attention to Shakespeare's treatment of faces has implications for our understanding of the historical and cultural context in which he wrote as well as the significance of the face for the ongoing interpretation and production of the plays Engaging with a variety of critical strands that have emerged from the so called turn to the body the contributors to this volume argue that Shakespeare's invitation to look to the face for clues to inner character is not an invitation to seek a static text beneath an external image but rather to experience the power of the face to initiate reflection judgment and action The evidence of the plays suggests that Shakespeare understood that this experience was extremely complex and mysterious By turning attention to the face the collection offers important new analyses of a key feature of Shakespeare's dramatic attention to the part of the body that garnered the most commentary in early modern England By bringing together critics interested in material culture studies with those focused on philosophies of self and other and historians and theorists of performance Shakespeare and the Power of the Face constitutes a significant contribution to our growing understanding of attitudes towards embodiment in Shakespeare's England *Nonfiction Reading Comprehension: Social Studies, Grade 5* Ruth Foster, 2007-06 High interest nonfiction articles help students learn about social studies topics while developing skills in reading comprehension Each story is followed by questions that cover main idea detail vocabulary and critical reasoning The format is similar to that of standardized tests so as students progress through the book's units they are preparing for success in testing Page 4 of cover
