restauration tout en approfondissant son savoir au travers des trois parties correspondantes aux trois options de l'année de terminale : restauration, hébergement et cuisine. Cet ouvrage est co-crit par une quipée d'enseignants aux parcours complémentaires portant un intérêt particulier aux formes de la filière. *A la rencontre des jeunes en souffrance*, 2014-06-23

Les adolescents en difficulté sont actuellement au cœur d'un débat de société qu'ils alimentent de leur mal-être. L'absentisme scolaire, les troubles des conduites ou les tentatives de suicide en sont le reflet. Les tablissements scolaires, médecins généralistes ou psychiatres sont des médiateurs de première ligne pour repérer ces jeunes qui ne demandent pas d'aide et refusent d'aller voir un psy en consultation. L'quipée mobile constitue alors une alternative innovante permettant en lien avec les médiateurs d'aller à la rencontre du jeune et de sa famille avec des missions d'évaluation, de soutien et d'accès aux soins. Cet ouvrage présente l'intérêt du fonctionnement et les spécificités d'une quipée mobile pluriprofessionnelle se déplaçant en binôme au moyen d'un camping-car aménagé en bureau sur le lieu choisi par le jeune et sa famille, passage le plus souvent du lieu de vie au lieu de soins. Le mouvement d'aller vers offre l'intérêt de sortir le sujet de son isolement, de réinitialiser les liens et de mobiliser des processus psychiques figés. Les spécificités de cette quipée mobile reposent sur la mobilité du cadre avec le changement de lieux significativement associé au maintien du suivi et le changement de binômes mobilisant les représentations vitant la fixation sur un seul thérapeute et facilitant l'investissement des relais. Cette mobilité flexible du cadre s'adapte aux besoins du jeune et de sa famille, participe à la mobilisation de leurs compétences et favorise l'alliance thérapeutique.

Sur le DVD, un reportage diffusé dans le Magazine de la Santé illustrera le propos de l'ouvrage en apportant une perspective originale et intéressante de réflexion au croisement entre écriture et image. L'ensemble se veut un ouvrage de référence mais également un outil de travail tant pratique que théorique destiné tout professionnel désireux de s'informer et/ou de développer une prise en charge en quipée mobile.
