Queen Of The Cosmos Interviews With The Visionaries Of Medjugorje:

Queen of the Cosmos Jan Connell,2004 Words of hope from the heart of the Virgin Mary **A Child Shall Lead Them: Stories of Transformed Young Lives in Medjugorje** Wayne Weible,2011-11-01 In the village of Medjugorje in Bosnia Hercegovina six teenagers two boys and four girls began to report seeing visions of the Blessed Virgin Mary in the summer of 1981 Since then millions of people have made pilgrimages to this remote mountain village where the messages of Mary give hope and comfort to those who are needy suffering or searching After nearly 24 years of daily appearances to these children all of whom are now adults married and with children of their own the fruits of conversion continue to serve as a testament to their initial claim writes Weible Not surprisingly the most dramatic of these conversions are those of young people beginning with the visionaries themselves A Child Shall Lead Them is a collection of such stories and anecdotes from Medjugorje They cover a full range of emotions trials and miracles from heartbreak to intense happiness In all of them there is solid proof of what happens when a heart is converted to that of a child a return to innocence and an openness and receptivity to faith Each chapter ends with a monthly message given by the Blessed Virgin Mary at Medjugorje Click here to listen to an interview with Wayne Weible [The Secrets of Mary](#) Janice T. Connell,2009-11-30 Through the centuries the Virgin Mary has appeared to ordinary people of every race and culture bringing forth her messages of love peace and comfort In these trying times Mary s protection is needed more than ever In The Secrets of Mary Janice T Connell chronicles messages Mary has brought from God drawn from scripture experts and eyewitness accounts Mary s voice provides a guiding light for modern times as she explains how to solve problems that are surfacing throughout the world Janice T Connell s newest collection of stories includes Saint Augustine s discovery of Mary s power Insight from the world famous children of Medjugorje in Bosnia A famous Washington D C media anchor s touching encounter with the Blessed Mother The author s own awe inspiring experience with Mary in Japan And much more Filled with beauty wonder and joy The Secrets of Mary provides comfort and inspiration to all those who desire Mary s gifts **Be Not Afraid to Follow the Footprints from Heaven** John Carpenter,2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatrist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem

prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life *The Way of the Rose* Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of *Anatomy of the Spirit* Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary's prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world **Fingerprints of God** Stephen J. Malloy, 2012-10 The small town of Medjugorje Bosnia Herzegovina was a simple and unassuming farming community unheard of to most people But all that changed during the summer of 1981 and it has since been the meeting place of millions of pilgrims In *Fingerprints of God* author Stephen J Malloy chronicles the reported miracles and extraordinary supernatural activity that have occurred in Medjugorje since that time It all started when five teenagers and a ten year old boy began to report in tandem that they were having heavenly visions According to their witness the Madonna the Virgin Mary had begun appearing to them in order to call the world to an urgent conversion reconciliation and peace through Jesus Christ *Fingerprints of God* uniquely combines the author's own experiences as a pilgrim to Medjugorje a detailed description of the central messages given by the Virgin Mary according to the six visionaries stories about miraculous healings and extraordinary signs the meaning of the ten secrets concerning prophesied events to occur in Medjugorje and in the wider world thorough examination of what the Catholic Church has said in its official capacity concerning the reported apparitions and related phenomena positive assessments of renowned theologians relationship made between the Medjugorje messages Christian morality and biblical revelation especially the teachings of Jesus Celebrating thirty one years of the Madonna's special presence *Fingerprints of God* accounts that Medjugorje has been host now to more than twenty eight million pilgrims from all over the world *A Magnificent Obsession* Danielle Green PhD, 2019-01-14 Perhaps every soul enters the world

knowing that it is unalterably corded to an invisible realm but in adapting to physical form forgets until the veil is momentarily lifted and reveals a mystical call that beckons us to awaken to the real story of existence our unseen bond to this larger reality and the personal destiny imprinted on the soul In a deeply personal and probing exploration of communications with the spiritual world Dr Danielle Green relies on personal experiences gained from her own messages as well as findings from over thirty years of research and documentation of mystical calls to carefully examine messages from beyond and guide others to understanding their own communications with the invisible realm Dr Green explores what it means to receive a mystical call how one follows or refuses the call and how such experiences impact one's perceptions beliefs attitudes physiology and ultimately destiny A Magnificent Obsession is the most documented report of mystical calls from around the world and offers a historical religious spiritual evolutionary and psychological perspective to understand this life determining phenomenon

The Intense Reality of Eternity John Carpenter, 2020-11-20 Mankind has pondered the existence of life beyond death for centuries Religions propose a variety of interesting but differing beliefs So what does actually happen Initially science assumed it was some kind of neurological process sparking memory fragments at the moment of death Having studied thousands of firsthand experiences science now finds undeniable credibility and fascinating patterns of details that cannot be easily dismissed These witnesses are from various cultures and countries around the world yet they report the same types of visual auditory and sensory details People blind since birth are seeing and testifying to the same sights that sighted people are also reporting Preschool children are claiming the same experiences as mature educated worldly individuals Atheists are stunned into becoming devoted to God What is going on Author John Carpenter returns with his third book providing the reader with a breath taking and inspirational journey through three realms of the afterlife Instead of recounting hundreds of individual tales as in other books he constructs a unique experience by orchestrating one composite journey illustrated by hundreds of firsthand witnesses Crafting the fascinating pieces of their testimonies into a masterful flowing collection creates an unforgettable journey for the reader Masterminding this jigsaw puzzle of credible experiences takes the reader where no other book has gone before But it can be intense in its joy love and beauty or its nightmarish and dark terrors Be not afraid Learn the truth of what people are reporting so that you can navigate your own spiritual journey wisely toward your future place in eternity

Inside Heaven and Hell Thomas W. Petrisko, 2000-04 Using Scripture Church Teaching and testimony from Saints Mystics and Scholars this book takes the reader on a virtual tour through the actual places of heaven and hell Will you be ready come judgment day

Real Stories of Christian Initiation David Yamane, Sarah MacMillen, Kelly Culver, 2006 Relates real experiences from parishes that have used the Rite of Christian Initiation of Adults in the Roman Catholic Church draws lessons for the church from these experiences Provided by publisher
