Teaching Elementary Grammar with Mentor Texts Ready to Use Lesson Plans for Grades 3 5 contains detailed grammar  
lesson plans for teachers in grades three four and five The lesson plans in this book incorporate the research based best  
practices of grammar instruction and apply those practices to the teaching and learning of grammar instruction They present  
grammatical concepts in the context of effective writing by using mentor texts These mentor text examples which students  
read from a writer s perspective deepen students metacognition of the importance of grammatical concepts and help them  
see the elements of grammar as tools for strong writing that authors use strategically to make their work as strong as  
possible The book provides elementary school teachers with user friendly lesson plans that they can easily use to put mentor  
text based grammar instruction into action in their classrooms These lesson plans feature published examples of grammatical  
concepts from contemporary children s and middle grade books activities that help students connect their reading and  
writing experiences and reflective activities that facilitate students metacognition of the importance of grammatical concepts  
The thorough plans in this book will help teachers put the best practices of grammar instruction into action in concrete
