

The background image is a landscape photograph. On the left, a large, dark, silhouetted tree stands prominently. The sky is filled with large, billowing clouds, some of which are illuminated from below by a low sun, creating a warm, orange and yellow glow. The sun itself is visible as a small, bright point of light on the horizon. Below the horizon, a dark, forested valley stretches out. In the distance, a small, white, rectangular building is visible on a slight rise. The overall mood is serene and contemplative.

Quiet Hearing God Amidst The Noise:

Quiet A. J. Sherrill, 2014-03-11 Within a world of incessant noise and chaos Quiet is an invitation to seek God in stillness silence and contemplation Each chapter concludes with a contemplative practice for the reader It is a helpful read for both individuals and small groups Chronicling the author's personal journey AJ Sherrill reveals how contemplative prayer practices compliment other forms of prayer prevalent in the Church such as intercessory prophetic and abiding prayer If you find yourself longing for greater awareness intimacy and peace with God this resource aims to open more possibilities through prayer than many previously believe are available It is a particular helpful guide for those who find themselves in urban and suburban contexts where the decibel level of life has never been louder Not only is this book relevant today but also captures the thoughts and practices of many saints of times past Quiet has been endorsed by Father Richard Rohr Author and Franciscan Monk Jon Tyson Author and Lead Pastor of Trinity Grace Church in Manhattan and Skye Jethani Author and Editor at Christianity Today

The Rush and the Rest Jamin Bradley, 2018-08-23 After writing a book that affirmed science on a level that made many Christians uncomfortable Pastor Bradley becomes an enigma by writing a book that affirms the supernatural on a level that makes many Christians uncomfortable The Rush and the Rest is the product of a decade worth of studying and practicing the supernatural ways of the Holy Spirit Bradley aims to take us deeper into the Scriptures than we have ever gone before with this one part academic and one part spiritual work Regardless of where you are on the Christian journey this book is bound to have something fresh for you

Silence of the Soul D. Robert Kennedy and S. June Kennedy, 2008-06-25 This wonderful book about the spiritual power of silence in the soul could only come from a person to whom silence has become loud with the voice of God It is a great gift

Fit for Purpose Richard Pile, 2021-04-13 As a society we have never had so much advantage and yet been so disadvantaged by this very same society which we have built for ourselves by ignoring our basic needs when it comes to sleep nutrition movement relaxation relationships and purpose in life We face a rising tide of physical health problems such as obesity and diabetes and mental health issues such as loneliness and depression Our medical model is a broken disease based one which is not fit to meet our needs particularly when it comes to preventing health and wellbeing problems Just as secular society is often guilty of dualism when it comes to wellbeing focusing on the physical but ignoring the spiritual the faith community may make the same mistake in reverse

focusing on the spiritual whilst ignoring the physical We need to combine all these different aspects to enjoy true wellbeing and a satisfying life The book explores what it means to be fit for purpose in life physically mentally and spiritually It describes the problems we face both individually and as communities and succinctly summarizes the evidence for the key factors that determine our wellbeing It lays down a challenge to avoid treating physical mental and spiritual wellbeing as separate Using knowledge and experience of the worlds of medicine behavioral change and Christian faith Dr Pile presents real life case studies and provides practical recommendations for making changes whether for ourselves our faith community or wider society

What's That Noise? Theodore J. Sanborn, 2010-11 God spoke to Moses Paul and other spiritual giants of the Bible Does he also speak to each of us Is it possible that he s communicating to us but we don t recognize his voice New author Theodore John Sanborn addresses this theme in his inaugural book What s that Noise Listening for God in a Busy World Sanborn draws us into the topic with thoughtful questions regarding our beliefs and applies his own experiences to craft a compelling case for the reality of God s desire to converse with us Hear his story and consider how God might be trying to communicate with you

Isaiah's Vision: Holy, Holy, Holy Ahmed Musa , 2024-12-14 In one of the most profound and awe inspiring moments in the Bible the prophet Isaiah was granted a vision of God s glory that left him forever changed Isaiah s Vision Holy Holy Holy takes you deep into the heart of this transformative experience where Isaiah saw the Lord seated on His throne high and exalted surrounded by seraphim declaring Holy holy holy is the Lord Almighty the whole earth is full of His glory This sacred encounter with the holiness of God not only revealed the magnificence of God s nature but also called Isaiah to a new level of purity purpose and prophetic mission In Isaiah s Vision Holy Holy Holy you will discover The breathtaking details of Isaiah s vision how he entered the heavenly throne room and encountered the glory of God as well as the overwhelming sense of reverence and awe that filled him The significance of God s holiness and the threefold declaration of Holy holy holy and how it reveals the essence of God s character and His absolute purity Isaiah s reaction to God s holiness how his immediate response was one of confession and repentance recognizing his own unworthiness in the presence of the Holy One The cleansing and commissioning that followed as God sent one of the seraphim with a burning coal to purify Isaiah s lips and then called him to speak the hard truth to a rebellious nation The deeper meaning of God s holiness for believers today how this vision challenges us to reflect on our own purity worship and devotion to the One who is infinitely holy Isaiah s vision of God s holiness stands as a powerful invitation for all who encounter it In the presence of the Holy One we are confronted with our own sin but we are also offered forgiveness cleansing and a divine calling This vision reminds us that holiness is not just an attribute of God it is the standard by which we are called to live as His people What does God s holiness reveal about His character and His expectations for His people How can we live lives that reflect the holiness Isaiah encountered Isaiah s Vision teaches us that God s holiness demands our reverence our repentance and our response In His presence we are transformed and called to declare His glory to the world

Step into Isaiah's Vision Holy Holy Holy and experience the awe and wonder of an encounter with the holiness of God When we encounter God's holiness we are never the same called to holiness and to proclaim His glory to the ends of the earth

The Walk Back to Eden Melody Westbrook, Emileigh Ziebka, 2023-03-29 God's word his stories surround us every day We listen to podcasts read books and frequent our daily devotionals but do we really allow our lives to change Does God's story become our story Do we allow God to walk us back to true fellowship and relationship with Him Or does our sporadic connection with God's story lie beautifully on the surface impressing others around us without absorbing deep within who we are Even though the Bible is the greatest story written it sits on our shelf positioned strategically allowing us to feel we are of the spiritual realm But what if we pulled it from our shelf and opened it Would we allow the stories of Adam Abraham and Sarah change our lives Would we see the God who saw Hagar Or would we become frustrated reading a book penned centuries ago because it seems inapplicable and dry In The Walk Back to Eden authors Melody Westbrook and Emileigh Ziebka take you on a journey through the Old Testament You will walk through the garden of Eden into the wilderness and be locked inside a boat You will feel the dirt between your toes walking the roads of Canaan feel the heartfelt loss as Adam and Eve were kicked out of paradise and sit in the quiet of the unformed universe This book offers practical lessons for today taken from a book written centuries ago You will not want to miss this journey *The Ascension Lenten Companion:*
