Of Living Valour The Story Of The Soldiers Of Waterloo:

Of Living Valour Barney White-Spunner, 2015-03-26 Publishing to coincide with the 200th anniversary of the Battle of Waterloo for the first time a modern British history tells the story of the against the odds triumph through the accounts of the regimental officers and soldiers whose bravery and resolution achieved victory The author has used many unpublished sources letters and diaries of ordinary British soldiers in the vein of Stephen Ambrose s highly successful *Band of Brothers* With a concise fast moving account covering ex Commander of the British Army Barney White Spinner tells the story through the experiences of those who fought there and their families offering his unique perspective on the events The story focuses on mens personal feelings and their relationships with each other their families their leaders and their enemies It tells the stories of their lives what they had left behind and why and what they went back to It vividly captures their daily routine their life in camp and how they fought at first hand their fear excitement and exhaustion The Battle of Waterloo was one of the most significant ever fought by a British army but it was also one of the most bloody with about 50 000 men losing their lives over three days What was it like for those who fought and for their families waiting at home This is their story

Maritime Animals Kaori Nagai, 2023-08-31 This volume explores nonhuman animals involvement with human maritime activities in the age of sail as well as the myriad multispecies connections formed across different geographical locations knitted together by the long history of global ship movement Far from treating the ship as a confined space defined by the sea *Maritime Animals* considers the ship s connections to broader contexts and networks and covers a variety of locations from the Canadian Arctic to the Pacific Islands Each chapter focuses on the oceanic experiences of a particular species from ship vermin animals transported onboard as food and animal specimens for scientific study to livestock companion and working animals deep sea animals that find refuge in shipwrecks and terrestrial animals that hunker down on flotsam and jetsam Drawing on recent scholarship in animal studies maritime studies environmental humanities and a wide range of other perspectives and storytelling approaches *Maritime Animals* challenges an anthropocentric understanding of maritime history Instead this volume highlights the ways in which species through their interaction with the oceans tell stories and make histories in significant and often surprising ways In addition to the editor the contributors to this volume include Anna Boswell Nancy Cushing Lea Edgar David Haworth Donna Landry Derek Lee Nelson Jimmy Packham Laurence Publicover Killian Quigley Lynette Russell Adam Sundberg and Thom van Dooren *Nations in Arms* Barney

White-Spunner, 2025-08-14 A critical study of five historical armies that offers solutions for how contemporary forces need to change to deal with modern threats The most important task of any government remains the defence of its state and its citizens Traditionally governments have used armed forces to do this World events and comparative peace in Europe since 1989 have led most European governments to lose their focus on defence However recent events have proved that war is now as nasty violent destructive and prevalent as it has ever been and governments need to fundamentally re think their

relationship with armies and soldiers History gives us several examples of states who have reconstructed their armies successfully both on the field of battle but also in terms of how they relate to the state which it is their duty to protect This book is about five armies who have adapted successfully the 4th century Roman army of Constantine the Great the 15th century Ottoman army of Sultan Mehmet II Cromwell s New Model Army of the English Civil War the Prussian Army of the Napoleonic Wars and the US Army of the Second World War Former senior military officer and renowned military historian Barney White Spunner draws lessons from their experience to establish long standing principles that are as relevant today as they were in the 4th century It is a book about armies their loyalties their organisation and their souls *NAVIGATING CULTURAL IDENTITIES AND HISTORIES* Alexandra BACALU, Andreea PARIS-POPA, 2025-01-01 This volume commemorates Mihaela Irimia a leading figure in British literature and cultural studies in Romania and a reputed professor at the University of Bucharest It puts together the most recent work of her frequent collaborators colleagues students and friends in a manner that reflects the fruitful territories areas of inquiry research questions and methodologies that her own work inspired the conversation between ancient and modern literary forms the complexities of the early English novel the paradoxes of Romantic poetics travel narratives city studies the history of ideas and its intersection s with cultural social and material history the fundamental paradigms of modernity and postmodernity and comparative studies *History of the Scottish Regiments in the British Army* Archibald K.
