Octavio Ocampo Arte Metamorfico

Octavio Ocampo

Octavio Ocampo Arte Metamorfico:

Arte Metamórfico Octavio Ocampo, 2013 A beautiful collection of the metamorphic art of one of Mexico's most prolific artists Octavio Ocampo works primarily in the metamorphic style using a technique of superimposing and juxtaposing realistic and figurative details within the images that he creates Ocampo is known for his sometimes wryly sardonic sometimes evocative paintings in which detailed images are intricately woven together to create larger images the optical illusions fading back and stepping forward as the viewer studies the pieces notices the details and finally recognizes the large scale intention

L'amore non toglie la vita Maura Lombardi, 2017-05-16 Un giorno all'improvviso la vita di Giulia si ferma una bella ragazza di 15 anni con i capelli ricci e rossi piena di gioia di vivere in pullman che sta andando dalla nonna con le amiche e mentre gira la testa di lato per scherzare con loro le scoppia una vena nel cervelletto Prima di perdere definitivamente i sensi dice solo queste parole Voglio la mamma I medici le trovano una rarissima malformazione congenita per spiegare questo aneurisma cerebrale La operano entra in coma e da quel momento comincia un calvario interminabile Sua madre le dedica l'esistenza anche se i medici le lasciano capire che non ci sono quasi speranze Cerca i libri che le piacevano li impara a memoria e glieli legge tutte le sere prima di andare a dormire Compra uno stereo per farle ascoltare la musica che amava nella sua camera di dolore all'ospedale D'inverno sfida il gelo per andare a trovarla senza maniche di camicia e farle sentire l'odore della sua pelle mentre lei si sdraia dolcemente accanto raccontandole le banalità della giornata Lei parla in continuazione come se lei fosse ancora la sua adolescente che ha fermato il tempo quel pomeriggio sul pullman E lei organizza grandi feste di compleanno con i palloncini le stelle filanti e le canzoni invitando tutte le amiche e i medici che la curano attorno al suo capezzale Ma per sette lunghi anni Giulia non migliora Passa da un'operazione all'altra e ogni volta un ricominciare Questo libro racconta la storia incredibile di una madre una donna come tante con il suo lavoro e un matrimonio in crisi che sogna soltanto di fare la vita più normale del mondo e che invece si trova a dover lottare da sola contro una cosa più grande di lei Lei sostiene la forza dell'amore niente altro che questo nei giorni disperati che si susseguono uguali uno all'altro e in quelli ancora più cupi quando sente che lei sta perdendo e avrebbe voglia di scappare via una donna con le sue debolezze una di noi totalmente impreparata a una disgrazia del genere Eppure in questo immenso dolore ritrova anche se stessa nei percorsi penosi dell'amore Al sacerdote con cui si confida e che le dice di pregare per un miracolo lei risponde che non vuole miracoli La sola cosa che chiede la forza per non mollare mai per riuscire a stare sempre vicina a sua figlia pure in queste condizioni L'unico miracolo siamo noi E non importa come si concluda questa storia Dentro a un finale imprevisto resta la figura di una donna forte che riesce a non crollare sotto la violenza del dolore un modello per tutti
