Jesus Unleashed John F. MacArthur,2021-07-13 Walk through the gospel records of the bold confrontations of Jesus and discover how to use your newfound knowledge of the person of Jesus to defend the biblical truth of the Christian faith What you think of Jesus Christ will thoroughly color how you think about everything else writes John MacArthur This is a critical truth in the life of every believer Your view of Jesus affects the way you view God the world and every one of your decisions So often Jesus is portrayed as a pacifist a philanthropist or a docile teacher He strikes a plastic and sometimes pathetic pose in the

minds of many Some prefer the meek and mild Jesus who heals the sick calms fears and speaks of peace and goodwill These things do represent a portion of the Messiah But tragically too many have never been exposed to the rest of him They have never seen a full 360 degree view of the Savior His boldness in the face of confrontation and why that matters Until now Jesus Unleashed abridged from John MacArthur s classic bestseller The Jesus You Can t Ignore takes a revealing walk through the gospel records Like an investigative journalist on a mission MacArthur shows you a remarkable and compelling picture of Jesus unleashed including Jesus s bold and confrontational interactions with religious leaders challenging the common perception of Him as solely gentle and meek The importance of understanding the full character of Jesus including His authoritative and provocative nature in the face of those who distorted God s truth The necessity of using Jesus s example to defend the truth of the Christian faith today against false teachings Jesus Unleashed highlights a neglected but vital aspect of who Jesus really was a bold and powerful teacher who never shied away from confronting those who would warp God s truth for their own purposes MacArthur reminds you of the importance of courageously following Jesus example as you defend biblical truth against those who would distort it

New Babylon Rising Ron Rhodes,2019-08-13 What New Babylon Reveals to Us About the End Times What will the world look like in the last days One significant clue the Bible offers is a fascinating look at New Babylon More than one tenth of the book of Revelation is devoted to prophecies about this city the center of the antichrist s world government But are we to understand these prophecies symbolically or literally In New Babylon Rising trusted prophecy expert Ron Rhodes offers insight into what God s Word tells us about the worldwide influence of New Babylon in the end times Take a look at what prophetic Scripture says and discover the rampant paganism and evil that will mark this infamous city learn about the convergence and fulfillment of many ancient prophecies about the tribulation and second coming of Christ apprehend that God not only sees the future but has determined how it will unfold As you explore the Bible s prophecies about the last days you ll discover that no matter how uncertain the future looks you can have peace knowing that God is in full control of all things
