Jesus as Teacher in the Gospel of Matthew Charles Nathan Ridlehoover, Charles Quarles, 2023-07-27 Inspired by the work of Richard France and his highly influential Matthew Evangelist and Teacher Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus's role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew's portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus's Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus's position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus's teaching ministry gives readers a more complete look at Jesus's vocation

A Handbook on the Jewish Roots of the Christian Faith Craig A. Evans, David Mishkin, 2019 A Handbook on the Jewish Roots of the Christian Faith is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith. It includes Old Testament background, Second Temple Judaism, the life of Jesus, the New Testament, and the early Jewish followers of Jesus. It is intended as a resource for college and/or higher education. It is no longer a novelty to say that Jesus was a Jew. In fact, the term Jewish roots has become something of a buzzword in books, articles, and especially on the internet. But what does the Jewishness of Jesus actually mean, and why is it important? This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith. It consists of thirteen chapters, most of which are divided into four or five articles. It is in a handbook format, meaning that each article is brief but informative. The thirteen chapters are grouped into four major sections: 1. The Soil, 2. The Roots, 3. The Trunk, and 4. The Branches. Craig A. Evans, PhD, D.Hab., is the John Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas. He is a frequent contributor to scholarly journals and the author or editor of over seventy books. Evans resides in Houston, TX. David Mishkin, PhD, serves on the faculty of Israel College of the Bible in Netanya, Israel. He is the author of *The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus*. *The Anatomy of a Biblical Leader* Dan A. Esterline Sr., 2019-09-20 When we think of leadership today, we have too many examples of the type of leadership the Pharisees practiced and few examples of the type of leadership Paul explains in 1 Thessalonians 2:1-12. With a careful exegesis and practical application, this book will help you know what kind of character a leader needs. Some of those characteristics are courage, compassion, and integrity. A study guide is included to help you develop the biblical character of a leader.

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools to commentaries and theologies, as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries, as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.

Flipped Malcolm Duncan, 2023-04-03 Christians are called to model a way of life that challenges the status quo and infuses the world with hope and possibility. We are to be people who see possibility where others see failure, beauty where others see ugliness, and freedom where others see chains. This is the Upside Down Kingdom where the forgotten are noticed, the silenced are given back their voice, and love is stronger than hate. By exploring the teaching of Jesus as recorded in the Gospel of Matthew, Malcolm Duncan in *Flipped* traces the key components of this new community, this life-giving way of living. He explores the five key discourses in Matthew and invites us to a radical new way of living and being, centered around the reign and the rule

of King Jesus The message of Flipped The Upside Down Kingdom is one that our churches need to hear that God's Kingdom is unshakeable local churches are its vanguard and Christians are its citizens Flipped paints a vision of what is possible when ordinary people catch a glimpse of God's radical call to follow the Lord Jesus **Living God's Word, Second Edition** J. Scott Duvall, J. Daniel Hays, 2021-06-01 Living God's Word is your pathway to read the Bible as it was meant to be read as God's Great Story Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole They encounter various passages each week through unrelated readings studies and sermons and it all feels disconnected But once they see the Bible as God's Great Story they begin to understand how it all fits together and they start see how their own lives fit into what God has done and is doing in the world In Living God's Word Second Edition New Testament scholar J Scott Duvall and Old Testament expert J Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible thus enabling them to live faithfully in deep and important ways Living God's Word explores the entire Bible through broad themes that trace the progression of God's redemptive plan Each section deals with a certain portion of Scripture's story and includes Reading listening preparation Explanation Summary Observations about theological significance Connections to the Great Story Written assignments for further study These features combined with the authors engaging style make Living God's Word an ideal book for those who want to understand the Bible better for introductory college courses Sunday school electives or small group study Readers can further enhance their learning experience with the Living God's Word WORKBOOK sold separately which contains additional questions and exercises to help them reflect on what they are reading in Living God's Word *The Letter to the Colossians* Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere [A Guide to Biblical Commentaries and Reference Works](#) John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author's names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years
