

STEN RYNNING

NATO IN AFGHANISTAN

THE LIBERAL DISCONNECT

Nato In Afghanistan The Liberal Disconnect

James H. Lebovic

Nato In Afghanistan The Liberal Disconnect:

NATO in Afghanistan Sten Rynning, 2012-09-26 The war in Afghanistan has run for more than a decade and NATO has become increasingly central to it In this book Sten Rynning examines NATO s role in the campaign and the difficult diplomacy involved in fighting a war by alliance He explores the history of the war and its changing momentum and explains how NATO at first faltered but then improved its operations to become a critical enabler for the U S surge of 2009 However he also uncovers a serious and enduring problem for NATO in the shape of a disconnect between high liberal hopes for the new Afghanistan and a lack of realism about the military campaign prosecuted to bring it about He concludes that while NATO has made it to the point in Afghanistan where the war no longer has the potential to break it the alliance is at the same time losing its own struggle to define itself as a vigorous and relevant entity on the world stage To move forward he argues NATO allies must recover their common purpose as a Western alliance and he outlines options for change *NATO's Return to Europe* Rebecca R. Moore, Damon Coletta, 2017-09-11 NATO s 2010 Strategic Concept officially broadened the alliance s mission beyond collective defense reflecting a peaceful Europe and changes in alliance activities NATO had become an international security facilitator a crisis manager even outside Europe and a liberal democratic club as much as a mutual defense organization However Russia s re entry into great power politics has changed NATO s strategic calculus Russia s aggressive annexation of Crimea in 2014 and its ongoing military support for Ukrainian separatists dramatically altered the strategic environment and called into question the liberal European security order States bordering Russia many of which are now NATO members are worried and the alliance is divided over assessments of Russia s behavior Against the backdrop of Russia s new assertiveness an international group of scholars examines a broad range of issues in the interest of not only explaining recent alliance developments but also making recommendations about critical choices confronting the NATO allies While a renewed emphasis on collective defense is clearly a priority this volume s contributors caution against an overcorrection which would leave the alliance too inwardly focused play into Russia s hand and exacerbate regional fault lines always just below the surface at NATO This volume places rapid fire events in theoretical perspective and will be useful to foreign policy students scholars and practitioners alike **George W. Bush's Foreign Policies** Donette Murray, David Brown, Martin A. Smith, 2017-08-23 This book offers a fresh assessment of George W Bush s foreign policies It is not designed to offer an evaluation of the totality of George W Bush s foreign policy Instead the analysis will focus on the key aspects of his foreign and security policy record in each case considering the interplay between principle and pragmatism The underpinning contention here is that policy formulation and implementation across Bush s two terms can more usefully be analysed in terms of shades of grey rather than the black and white hues in which it has often been painted Thus in some key policy areas it will be seen that the overall record was more pragmatic and successful than his many critics have been prepared to give him credit for The president and his advisers were sometimes prepared to alter and amend their policy

direction on occasion significantly Context and personalities interpersonal and interagency both played a role here Where these came together most visibly for instance in connection with dual impasses over Iraq and Iran exigencies on the ground sometimes found expression in personnel changes In turn the changing fortunes of Bush's first term principals presaged policy changes in his second What emerges from a more detached study of key aspects of the Bush administration during a complicated and challenging period in the United States post Cold War history marked by the dramatic emergence of international Islamist terrorism as the dominant international security threat is a more complex picture than any generalization can ever hope to sustain regardless of how often it is repeated This book will be of much interest to students of US foreign policy international politics and security studies

Western Military Interventions After The Cold War

Marek Madej, 2018-10-25 This book offers an examination of the effectiveness of Western military interventions in the post Cold War era It constitutes a comprehensive interdisciplinary analysis of the conditions conduct and consequences of post Cold War armed conflicts in which Western states acting as a multinational coalition were engaged in a combat role as an intervening force not as an impartial peacekeeper The volume identifies and analyses the causes justifications and goals of the interventions as well as the results of such engagements The main objective is to assess the effectiveness of the military actions of Western states in these armed conflicts Apart from the chapters devoted to particular conflicts such as the Gulf War the Balkans Afghanistan Iraq and Libya it also includes chapters in which experts summarise the legal political military and economic implications of all such Western led interventions As a result the book helps us to understand why these military interventions happened how they were executed and what the results were Taking into account the impact of these military expeditions on global security the book offers an explanation for some of the central questions concerning the current shape of international order and power distribution on a global scale This book will be of much interest to students of military and strategic studies conflict studies foreign policy and International Relations

Coping with Caveats in Coalition Warfare Gunnar Fermann, 2018-09-01 This book develops a framework for analysis and a set of research strategies to better understand the conditions and mechanisms involved in the considerable use of caveats by states contributing militarily to coalition operations In the professional language of military servicemen security analysts and decision makers caveats refers to the reservations on the use of force states put on their military contingents as a precondition to participate in particular multinational enforcement operations Such understood caveats are an instrument of statecraft and foreign policy However caveats also are a potential threat to the integrity and military effectiveness of the coalition force in question and further down the road an erosion on the fabric of security alliances This volume is ideal for audiences interested in military and defence studies security studies and coalition warfare

Planning to Fail James H. Lebovic, 2019-03-14 In this book Lebovic identifies a common pattern that explains how the US failed to accomplish its goals in Vietnam Iraq and Afghanistan Planning to Fail presents a detailed analysis of American decision making in chapters devoted to each of these conflicts It shows the

same basic bias at each of four stages of intervention Such bias left US leaders working less than they should have when conditions permitted good choices and then working fruitlessly when conditions left them with only bad choices **NATO's Post-Cold War Politics** S. Mayer, 2014-08-26 This collection is the first book length study of NATO's bureaucracy and decision making after the Cold War and its analytical framework of internationalization draws largely on neo institutionalist insights Political Rationale and International Consequences of the War in Libya Dag Henriksen, Ann Karin Larssen, 2016-04-14 Political Rationale and International Consequences of the War in Libya focuses on the international intervention in Libya in 2011 and tries to answer two broad questions 1 What was the political rationale for the various actors to proceed as they did in the lead up and conduct of the military intervention in Libya 2 What are the consequences of the UN authorized military intervention in Libya R2P was the public raison d'être of the war and an important legitimizing factor of the intervention Still the humanitarian situation was a necessary but not in and by itself an adequate precondition for intervention A number of factors coalesced to enable the intervention While the humanitarian situation triggered the intervention in reality a variety of national interests governed the approach by the various international actors and more often than not these motives were not rooted in the particular circumstances in Libya The book offers a combination of unique perspectives While the perspectives of the US France and the UK on the Libyan Crisis War have been well documented the Arabic and Scandinavian political and military dynamics have been much less so While the perspectives of NATO the UN and R2P have been debated the view from the Arab League and African Union AU have been less in focus The volume redresses that imbalance and offers the most broad ranging analysis yet of a key moment in recent international relations Strategic Narratives, Public Opinion and War Beatrice De Graaf, George Dimitriu, Jens Ringsmose, 2015-02-11 This volume explores the way governments endeavoured to build and maintain public support for the war in Afghanistan combining new insights on the effects of strategic narratives with an exhaustive series of case studies In contemporary wars with public opinion impacting heavily on outcomes strategic narratives provide a grid for interpreting the why what and how of the conflict This book asks how public support for the deployment of military troops to Afghanistan was garnered sustained or lost in thirteen contributing nations Public attitudes in the US Canada Australia and Europe towards the use of military force were greatly shaped by the cohesiveness and content of the strategic narratives employed by national policy makers Assessing the ability of countries to craft a successful strategic narrative the book addresses the following key areas 1 how governments employ strategic narratives to gain public support 2 how strategic narratives develop during the course of the conflict 3 how these narratives are disseminated framed and perceived through various media outlets 4 how domestic audiences respond to strategic narratives 5 how this interplay is conditioned by both events on the ground in Afghanistan and by structural elements of the domestic political systems This book will be of much interest to students of international intervention foreign policy political communication international security strategic studies and IR in general Global

Nuclear Disarmament Nik Hynek, Michal Smetana, 2015-12-22 This book examines the issue of nuclear disarmament in different strategic political and regional contexts This volume seeks to provide a rich theoretical and practical insight to one of the major topics in the field of international security global abolishment of nuclear weapons Renewed calls for a nuclear weapons free world have sparked a wide academic debate on both the attainability of such goal and the steps that should be taken Comparably less attention however has been paid to theoretically informed considerations of the consequences of nuclear abolition Comprising essays from leading scholars and experts within the field this collection discusses the fundamental theoretical and conceptual foundations of nuclear disarmament and subsequently tries to assess its hypothetical impact in global and regional contexts The varied methodological approach of the contributors aims to advance a multi theoretical and multi perspectival view of the issue The book is organized in three main sections Strategic Perspectives dealing with the specific constraints and facilitators for the states to achieve their core objectives Political Perspectives with the focus on the power of norms belief systems and ideas and Regional Perspectives with the analyses of seven regional and or state specific nuclear contexts As a whole the volume provides a detailed complex overview of the risks and opportunities that are embedded in the vision of a nuclear weapon free world This book will be of great interest to students of nuclear proliferation arms control war and conflict studies international relations and security studies

Nato In Afghanistan The Liberal Disconnect Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nato In Afghanistan The Liberal Disconnect free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nato In Afghanistan The Liberal Disconnect free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nato In Afghanistan The Liberal

Disconnect free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nato In Afghanistan The Liberal Disconnect. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nato In Afghanistan The Liberal Disconnect any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nato In Afghanistan The Liberal Disconnect Books

1. Where can I buy Nato In Afghanistan The Liberal Disconnect books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nato In Afghanistan The Liberal Disconnect book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
