Paul Hymers Home Extension Manual

IM Harris

Paul Hymers Home Extension Manual:

Home Extensions Paul Hymers, 2002-08 Written as a result of the discovery that the problems encountered and mistakes made in building extensions are largely due to a lack of information available to the general public and to many builders the author a professional engineer has written this highly informative easy access book Home Extensions provides clear and concise advice on how to plan and supervise the building of a home extension loft conversion or conservatory including everything from planning and the law to dealing with architects builders and other contractors right through to the final coat of paint
