the tidal wave of compulsive behavior and addiction Christians must learn to breathe under water and discover God's love and compassion In this exploration of Twelve Step Spirituality Rohr identifies the core Christian principles in the Twelve Steps connecting them to the Gospels A must read for any person who recognizes the need to go inward on their soul's journey to question what their relationship is with God themselves and others The Cord Rohr is a perfect writer on the subject of the 12 Steps His easy to read book is essentially a commentary on each of the steps with twelve chapters and a postscript that concisely tackles the big religious questions of human suffering suffering with which addicts and their families are intimately acquainted Jesus Rohr answers is no stranger to suffering This is a good book for those in recovery from addiction and those who love them Publishers Weekly Richard Rohr continues to guide us to greater wholeness his books have helped countless souls especially those who struggle with issues of brokenness and seek transformation National Catholic Reporter
