Princess A True Story Of Life Behind The Veil In Saudi Arabia:

Princess Jean P. Sasson, 2010 The Princess Trilogy consists of *Princess A True Story* *Princess Sultana's Daughters* and *Princess Sultana's Circle* Sultana is a Saudi Arabian princess born to uncountable wealth She has four mansions on three continents her own private jet glittering jewels designer dresses galore But she has no freedom no control over her own life no value but as a bearer of sons Sultana is a member of the Saudi royal family closely related to the king For the sake of her daughters she has decided to take the risk of speaking out about the life of women in her country regardless of their rank She must hide her identity for fear that the religious leaders in her country would call for her death to punish her honesty Only a woman in her position could possibly hope to escape from being revealed and punished Although Sultana lives with constant fear of retribution her passion to provide her daughters a better life transcends her fear and fuels her desire for change

Princess Jean Sasson, 2000-12 This is the true story of what life is like for a Saudi Arabian Princess Told to the author by a member of the Saudi Arabian Royal Family who wishes to remain anonymous it describes a life of oppression and human rights violations

Princess Jean P. Sasson, 2001 A true story of life behind the veil in Saudi Arabia for a young princess *Princess* Jean P. Sasson, 2001-03-14 A Saudi Arabian princess describes the inequities for women in her country discussing arranged marriages for child brides the murder of female babies and her own life in the shadow of men

Daughters Of Arabia Jean Sasson, 2010-12-15 Readers of *Princess Sultana's* extraordinary biography *Princess* were gripped by her powerful indictment of women's lives behind the veil within the royal family of Saudi Arabia They were every bit as fascinated by the sequel *Daughters of Arabia* Here the princess turns the spotlight on her two daughters Maha and Amani both teenagers Surrounded by untold opulence and luxury from the day they were born but stifled by the unbearably restrictive lifestyle imposed on them they reacted in equally desperate ways Their dramatic and shocking stories together with many more which concern other members of *Princess Sultana's* huge family are set against a rich backdrop of Saudi Arabian culture and social mores which she depicts with equal colour and authenticity We learn for example of the fascinating ritual of the world famous annual pilgrimage to Makkah as we accompany the princess and her family to this holiest of cities Throughout however she never tires of her quest to expose the injustices which her society levels against women In her courageous campaign to improve the lot of her own daughters of Arabia *Princess Sultana* once more strikes a chord amongst all women who are lucky enough to have the freedom to speak out for themselves

Princess Jean P. Sasson, 1992-01-01 A true story of life behind the veil in Saudi Arabia **Princess: Stepping Out Of The Shadows** Jean Sasson, 2018-08-23 In the international bestseller *Princess The True Story of Life Behind the Veil in Saudi Arabia* *Princess Al Saud* and the acclaimed author Jean Sasson began a remarkable series of books Now more than twenty five years later this compelling journey continues as we follow the fortunes and the dazzling life of the Princess her friends and her family But of course there is a less glamorous much darker side to this engaging series and in *Stepping Out of the Shadows* Jean and the

Princess focus their attention on how despite positive news on civil rights reforms Saudi women still suffer physical and psychological abuse and have little legal protection due to the archaic guardianship laws of the land So although this is a kingdom on the threshold of revolutionary change spearheaded by the young Saudi Crown Prince who is keen to modernize his country any thoughts of equal rights and the chance to lead an independent life remain little more than dreams for most Saudi women Whilst the Princess acknowledges and welcomes the reforms that are on the horizon through stories of joy and sorrow we see how she is determined to continue to fight for equal rights for women in this her beloved kingdom

Princess More Tears to Cry Jean Sasson,2014-08-28 When Jean Sasson s book *Princess Life Behind the Veil* in Saudi Arabia was published it became an immediate international bestseller It sold to 43 countries and spent 13 weeks on The New York Times bestseller list Now in this long awaited compelling new book Sasson and the Princess Sultana return to tell the world what it means to be a Saudi woman today Through advances in education and with access to work Saudi women are breaking through the barriers they are becoming doctors social workers business owners and are even managing to push at the boundaries of public life Major steps forward have undoubtedly been made But this is not the whole story Sadly despite changes in the law all too often legal loopholes leave women exposed to terrible suppression abuse and crimes of psychological and physical violence For many the struggle for basic human rights continues This fascinating insight will include personal stories of triumph and heartbreak as told to Princess Sultana her eldest daughter and author Jean Sasson Each of these stories will offer the reader a glimpse into different aspects of Saudi society including the lives of the Princess her daughter and other members of the Al Saud Royal family

Princess Sultana's Daughters Jean P. Sasson,2001 The haunting sequel to *Princess* recounts Princess Sultana s story of her two daughters growing up within and rebelling against religious zeal and the male dominated society of Saudi Arabia

Thirty-Three Secrets Arab Men Never Tell American Women Cassandra,2008-02-26 There exists in this world people who have no soul Anyone who could inflict such endless cruelty on women and children is less than human It s hard for me to find the precise words I can use to describe my feelings about this reading experience deep sadness blistering rage and a need to take revenge Intellectually I know all this is counterproductive and a punishment inflicted upon myself However *Thirty Three Secrets Arab Men Never Tell American Women* A Dissection of How Muslims Treat Women and Infidels is a wake up call for any women who would let her heart rule her head in personal relationships no matter what the cultural background or religion
