Understanding Our Story Rebecca Letterman,Susan Muto,2017-02-28 Understanding Our Story presents a concise introduction to the original transformative thinking of Adrian van Kaam CSSp PhD 1920 2007 While many books are available on spiritual formation and Christian disciplines no other author of our time has offered such a holistic and comprehensive explanation of Christian formation and its relationship to the human spirituality of all persons Understanding our Story culls

the most seminal ideas and vocabulary from van Kaam's eleven volumes on formation science formation anthropology and formation theology and provides examples of his theoretical practical research drawn from everyday life Scripture Christian writers and van Kaam's life story itself In doing so it makes his extensive work available to scholars in the field of spiritual formation and gives all readers the opportunity to utilize his insightful thinking to more fully understand the myriad ways in which God reforms and transforms lives into the image of Christ In the pluritraditional world in which we live where so many faith and formation traditions demand our attention van Kaam's formative spirituality provides a means of respectful dialogue with formationally relevant truths from others and of wise appraisal of ideas that are and are not conducive to and compatible with the Christian revelation
