Promesses Vente Fiscal Classic Reprint

Paul Ravoire

Promesses Vente Fiscal Classic Reprint:

Des Promesses de Vente en Droit Civil Et en Droit Fiscal (Classic Reprint) Paul Ravoire, 2015-08-08 Excerpt from Des Promesses de Vente en Droit Civil Et en Droit Fiscal La Vente est un contrat synallagmatique dans lequel l'un des contractants le vendeur s'oblige à transférer la propriété d'une chose à l'autre contractant l'acheteur qui en retour s'engage à lui en payer le prix convenu Ainsi donc c'est un double engagement qui caractérise la vente chacune des parties contracte une obligation nettement définie dès à présent déterminée quant à son étendue et quant à son objet La Promesse de vente se manifeste à nous sous deux aspects bien différents Une personne promet de vendre un immeuble à une autre celle-ci promet de l'acheter Nous sommes alors en présence d'une promesse de vente synallagmatique Nous verrons que le Code civil l'assimile complètement à la vente article 1589 Si nous supposons au contraire un contrat n'engageant qu'une seule partie la promesse de vente est alors unilatérale Suivant le rôle que joue la personne qui s'oblige on la conçoit comme promesse de vendre ou comme promesse d'acheter Primus s'engage dans le premier cas avec Secundus qui accepte à lui vendre mais il n'y a aucun engagement de la part de ce dernier About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
