A Shuddering Dawn Ira Chernus,Edward T. Linenthal,1989-08-17 Exploring the symbolic meanings of the Bomb this book excavates the depth dimension of the nuclear age Rather than adding to the many ethical commentaries asking whether or not there should be nuclear weapons the authors ask why there are nuclear weapons and a continuing arms race They also address the kinds of symbolic changes that must occur in order to reverse the build up of nuclear weapons The authors approach these questions from the perspective of academic research not from particular faith commitments asking the reader to envision different human responses to this technology human stances that can be illuminated by the creative insight of religious studies **The Literary World** ,1882 *Sin Forgiveness and Righteousness* Dr. Ashwin

Drummond,2023-08-20 The Present book delves into the aspects of moving away from God and making a full circle of coming back to Him and enjoying eternal life In order to understand the gravity of sin an attempt has been made to form an idea of the eternity Holiness and Aseity of God This obviously refers to the self sufficiency and the non dependability of the Great God The Uncreated Creator God is life and everything that exists is created by Him and is dependent on Him He is also the epitome of Holiness Once we understand this great aspect of the Great Uncreated Creator God can we understand how abhorrent sin is to the Most Holy and how sin comes between God and Human Beings The great efforts made on the part of God to reconcile man to this abhorrent situation through the forgiveness of sin through the death of His son Jesus Christ has been explained in layman s language Finally how we are made right with God with the imputed righteousness of Jesus has been touched upon for a finer understanding of the matter Once reconciled with God we have the golden opportunity to become once again immortal and spend the rest of our life with our lord in eternity The Church of England magazine [afterw.] The Church of England and Lambeth magazine ,1870
