Princess Pocahontas And The Blue Spots:

Princess Pocahontas and the Blue Spots Monique Mojica, 1991 Rich in satire Monique Mojica's critique of the misrepresentation of Indigenous women in American myth literature and documentary confronts a longstanding history of sexual violence and condemns colonial traditions that represent Indigenous women as little more than creators and healers Since it was first published in 1991 *Princess Pocahontas and the Blue Spots* has become a classic in Canadian theatre and is still widely studied at universities and colleges around the world The remarkable CBC radio play *Birdwoman and the Suffragettes A Story of Sacajawea* is also included **Princess Pocahontas and The Blue Spots** Theatre Passe Muraille Archives (University of Guelph), Alejandra Núñez, Muriel Miguel, Monique Mojica, Nightwood Theatre Production, 1990

Princess Pocahontas and the Blue Spots Monique Mojica, 2011-08 Explores the truth behind the myth and legend of the Indian Princess This book lays bare the hearts and minds of Pocahontas Malinche Sacajawea and the uncaptured Native women who first met and fought the European invasion **Mapping the Americas** Shari M. Huhndorf, 2011-02-23 In *Mapping the Americas* Shari M Huhndorf tracks changing conceptions of Native culture as it increasingly transcends national boundaries and takes up vital concerns such as patriarchy labor and environmental exploitation the emergence of pan Native urban communities global imperialism and the commodification of indigenous cultures While nationalism remains a dominant anticolonial strategy in indigenous contexts Huhndorf examines the ways in which transnational indigenous politics have reshaped Native culture especially novels films photography and performance in the United States and Canada since the 1980s *Mapping the Americas* thus broadens the political paradigms that have dominated recent critical work in Native studies as well as the geographies that provide its focus particularly through its engagement with the Arctic Among the manifestations of these new tendencies in Native culture that Huhndorf presents are Igloodik Isuma Productions the Inuit company that has produced nearly forty films including *Atanarjuat The Fast Runner* indigenous feminist playwrights Leslie Marmon Silko's *Almanac of the Dead* and the multimedia artist Shelley Niro Huhndorf also addresses the neglect of Native America by champions of postnationalist American studies which shifts attention away from ongoing colonial relationships between the United States and indigenous communities within its borders to U S imperial relations overseas This is a dangerous oversight Huhndorf argues because this neglect risks repeating the disavowal of imperialism that the new American studies takes to task Parallel transnational tendencies in American studies and Native American studies have thus worked at cross purposes as pan tribal alliances draw attention to U S internal colonialism and its connections to global imperialism American studies deflects attention from these ongoing processes of conquest *Mapping the Americas* addresses this neglect by considering what happens to American studies when you put Native studies at the center **Towards a Transcultural Future** Peter H. Marsden, Geoffrey V. Davis, 2004 The volume reflects the human rights situation in many countries from Mauritius to New Zealand from the Cameroon to Canada It includes a focus on the Malawian writer Jack
