Promises Unbroken:

Promises Unbroken Vella Day, 2016-02-02 Cheetah shifter Selena Niles has her plate full working toward becoming a detective with the Hidden Hills Sheriff's Department and can't chance having anyone or anything messing with her chance of success. But Fate doesn't give a hoot about ambition. The moment former DEA agent Jackson Kenner is hired, she takes one whiff and goes wild with the mating call. Not Good. Hell, she'd rather declaw herself than give into the hotshot panther. So what if he has silky dark hair, an easy smile, and chocolate brown eyes? Thrilled he's finally found his mate, Jackson tries to win over the long-legged Selena, but she rebuffs him at every turn. He's not worried though. His panther side won't let anything come between them, not even Selena herself. Promises Unbroken Jann Brittain Garner, 2017-02-03 Elizabeth has just started her first year of college; her goal is to become a teacher. On a visit to her home in a small southern town in Georgia, she experiences a life-altering event that will change her life forever. Her strong family ties will help her to endure some of her daunting trials. Through the guidance of family and her home church, she learns to face her most life-altering decisions. Fear of the future holds her captive until love enters her life. She learns to lean on God and his wisdom and faithfulness to her. Her life begins to change as the world around her becomes a much brighter dream. Elizabeth crosses many paths on her journey, and they will inspire those around her. The end of her journey will show how faith, love, and courage will lead her into the next phase of her young life. **Unbroken Promises** Mitchell G. Taylor, 2003 We've all been disappointed by promises unkept. Can we trust again? Yes. Within these pages, you'll learn the meaning of promises kept. Experience the depth of God's Unbroken Promises. *Josh* Vella Day, 2019-02-05 A very reserved goddess of Fate and a water dragon go head-to-head in a battle of wills. Magnolia Faiten loves the control she's honed over the years. Okay, the truth: It's more of a need thing, but a chance fire in her workplace changes all of that. She might not be the glass-half-full type of woman, but when some super hunky dragon shifter rushes in and saves her, she decides the fire just might have been a good thing. The water dragon has more than one secret; one he refuses to reveal to anyone. If he did, his life wouldn't be his anymore. When he carries out the beautiful Magnolia from what he thinks is certain death, he's shocked to realize she is his mate. Now what should he do? Secrets have a way of destroying even the best relationships. Then Magnolia shocks him when she reveals she's an immortal goddess. Okay, he can work with that. Too bad when he tells her what and who he is, Magnolia just disappears. To say the least, winning not only her trust but her love will be one of the biggest battles of his life. *From Terror to Temptation* Vella Day, 2023-10-05 Trust or run? The wrong decision will be deadly. After losing three loved ones, Detective Dominic Rossi is an expert at keeping his distance from all things female, that is, until he meets Tessa Redman, a woman who seems mighty troubled. She's definitely hiding something from him, but that only brings out his need to protect even more. When a hot-looking detective begins snooping around Tessa's bar, she panics, believing he's there on behalf of her ex-husband, a cop on the take who she turned in, a man who swore he'd kill her. But Dom's random tenderness awakens something deep
