

7 HABITS OF SUCCESSFUL PROJECT MANAGERS

1 Be Prepared

WHAT THIS MEANS:

Plan for risk.

3 Be in Control

WHAT THIS MEANS:

Know you can't control everything, so choose wisely.

2 Always Listen

WHAT THIS MEANS:

Communication is fostered by listening, be it your team or stakeholders.

4 Delegate

WHAT THIS MEANS:

Don't do all of the work yourself. Balance the workload and give yourself time to do your job.

6 Question

WHAT THIS MEANS:

Don't assume, but ask questions to know for certain.

5 Be of Service

WHAT THIS MEANS:

Lead by serving your team and giving them what they need to succeed.

Successful Project Management Trevor Leonard Young, 2006. Project management has become an area of interest in all types of organization and the skills required are recognized as highly desirable at all levels. The role of project manager requires maintaining a balance between the demands of the customer project team and the organization. This provides a real challenge in the fields of time management and prioritization. *Successful Project Management* will enable any manager to significantly raise the probability of success with their projects and contains practical and well tested techniques. This step by step guide will help you with project conception and start up, managing project stakeholders, managing risks, project planning, project launch and execution, closure and evaluation. Complete with checklists and specific guidance notes, this essential book covers the entire project management process and will improve your chances of success.

How to Manage Your First Project Henry Iain Shield, 2020-07-20. The guidelines and ideas in this book are a result of my extensive project management experience. I have successfully managed, implemented and delivered countless projects including complex global infrastructure based projects. As a project manager I have overseen new and modification projects utilizing on shore and offshore resources and third parties. Thanks to over 25 years of project management experience I have extensive knowledge covering the entire life cycle of a project including initiating, planning, executing, controlling and closing projects, delivering business value. I began my project management career as a team leader, progressing to project manager. I have managed small and large scale projects with multi million pound transition budgets. I will confidently guide you through the fundamentals of successful project management. I have full project management qualifications from both the Project Management Institute and a Prince2. My 25 years of project management experience covers complex projects for both private and public sector clients. I am proud to be known as a project manager with a solid pedigree to match. The best compliment I have received regarding my ability to share my knowledge is that I give common sense ideas and concepts culled from my down to earth experience befitting my decades of project management practice. I am proud to say that I have been at the coalface of project management and now I want to impart my wealth of knowledge to you, the reader of this book, looking to seek useful and practical help in the realm of project management. This is a great guide for new project managers ready to begin their career.
