Assurance in Seafood Processing T. S. Gopalakrishna Iyer, Central Institute of Fisheries Technology (India), Society of Fisheries Technologists (India), 2002 With special reference to India *Quality Assurance of Aquatic Foods* G.

Jeyasekaran, R. Jeya Shakila, 2020-11-11 This book deals with the quality and safety of aquatic food It focuses clearly on biological and chemical hazards antibiotic and pesticide residues and heavy metal contaminants associated with aquatic food The quality problems in various aquatic food products and their methods of assessment are exhaustively dealt in this book Besides food quality management systems like HACCP SSOP SCP GHP GMP have also been explained for easy adoption The International and National Standards prescribed by FSSAI EIC BIS Codex USFDA ISO and EU for aquatic food products are explicitly given It is also useful to the personnel of aquatic food industries to improve their working knowledge on maintaining the quality and safety aquatic foods Note T F does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka Seafood Regulations Compliance Manual Andrew M. Welt, 2013-06-29 A first of its kind the Seafood Regulatory Compliance Manual is a comprehensive work that comprises the myriad of governmental requirements and guidelines applicable to all aspects of seafood from harvest to the marketplace The intent of the authors was to develop for users a manual that is easy to use with a structured format to ensure compliance with governmental requirements They have been highly successful in achieving this objective and presenting a user friendly tool The manual represents a major advancement by providing a single source reference to all requirements except for some specific end product and labeling requirements for a highly complex global industry In addition it is an outstanding contribution to the seafood industry in addressing a long standing need for systems changes in the form of a single source manual in contrast to the obsolete approach of having to access a library of multiple regulations and the affiliated agencies bureaucracies to determine how and or whether compliance with a particular regulation has been achieved For those engaged in international commerce in seafood the manual should be especially useful Well integrated throughout the manual are the applicable provisions of the recommended international Codex standards for fish and shellfish products and the codes of hygienic and technological practice for handling and processing these products These standards and codes were developed through an

international harmonization process and are familiar to seafood producing countries worldwide
