similar troops across the country Woven throughout the book is the history of the Girl Scouts an organization that has always adapted to fit the times supporting girls from all walks of life Troop 6000 is both the intimate story of one group of girls who find pride and community with one another and the larger story of how when we come together we can find support and commonality and experience joy and success no matter how challenging life may be **Monthly Catalog of United States Government Publications, Cumulative Index** United States.
