Pentecostal and Charismatic Studies William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century Without government support without an advertising campaign often without the notice of journalists and academics and sometimes in the face of persecution and ridicule it has spread its message around the world and now attracts in the region of 500 million people Many of its original and formative documents are unknown and out of print This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and over a

range of issues and practices shows how they vary and how they have developed historically These texts have lain in out of print magazines and archives and so far as we know have never been collected before in this way This book allows you to hear the authentic voice of the Pentecostal and charismatic movements drawing especially from sources in English *The Pentecostal Mission in Palestine* Eric Nelson Newberg,2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land *Pentecostal Evangel* ,2000
