People Of The Spirit:

People of the Spirit Gary B. McGee,1997-12-01 **A Free People** Dave Moore,David L. Moore,2003 An excellent collection of stories writings and photographs by Hmong students in Minnesota as part of the Hmong Youth Cultural Awareness Project with grants from the the Minneapolis Public Schools A minority in every country where they have lived they value their independence and self sufficiency With help of Dave Moore and John Mundahl Hmong students interviewed their elders in the community to capture the history and culture of their people This book reunites the Hmong youth who have become alienated from their culture in living in the United States to Hmong culture and inspire self esteem as well as helping others learn about this amazing culture Happiness and the Human Spirit Abraham J. Twerski,2007 Since time immemorial human beings have been engaged in the pursuit of happiness In the Declaration of Independence our Founding Fathers even declared it to be one of our inalienable rights Yet for many of us the actual achievement of happiness has proven elusive This inspiring guide shows you that it doesn t have to be Using simple accessible language and clear examples this wellspring of wisdom illustrates that true happiness is attainable when we stop looking outside ourselves for the source Instead happiness can be found within us when we exercise our unique human abilities such as gratitude humility compassion and generosity that are the components of the human spirit Combining ancient wisdom and modern psychology it shows us that when we reconnect with our spiritual selves we correct the deficiency of spirituality that many of us experience on a daily basis And without a fully realized spiritual life we cannot be whole More than a handbook for living a happier life this is a treasure map that leads you beyond self centered contentment to actualizing your full potential as a human being It teaches you that true happiness is not just being free from misery and enjoying the pleasures of life True happiness comes when you choose again and again to be the best person you can be *Leading the Young People with the Word and the Spirit* Witness Lee,2024-03-25 In leading the young people there are two indispensable aspects spiritual knowledge and spiritual life The spiritual content we impart into our young people must be related to both aspects and we should not lean too much toward one or the other we must be balanced According to God s law in the universe everything is balanced Thus in our service with the young brothers and sisters we should keep the principle of being balanced we should give the young people knowledge and life in such a way that these aspects interact with each other *The People of God's Presence* Terry L. Cross,2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's Presence* will focus on the role of leadership in the church **Know Your Spiritual Enemies and Destroy Their Kingdom of Darkness** Gilbert Enyidah-Okey Ordu,2007 Becoming a Fruitful People of God Yunus

Spiritual Oxygen Mark G. Boyer,2025-10-22 The adjective spiritual refers to aspects of one s spirit The idea that each person possesses an immaterial and immortal soul which is distinct from the body did not appear in Jewish biblical literature before the Babylonian exile After interacting with Persian and Hellenistic philosophies the word nephesh entered Hebrew meaning living being not the dichotomous Hellenistic meaning Thus the biblical soul refers to a living breathing conscious body According to biblical literature God like a potter

formed people from clay dirt and breathed divine breath into them Spiritual oxygen refers to the divine breath or spirit given to all living beings The Hebrew word ruah which can be translated into English as breath spirit or wind means that everything that breathes is inspirited When a person breathes the colorless and odorless gas known as oxygen one is simultaneously inhaling spirit Thus biblical spirituality is the process of living one's life in relationship with God while breathing deeply of the divine spirit Biblical spirituality for the twenty first century consists of spirits humans living and breathing Spirit God and being aware of the divine presence in which one lives and moves and has his or her being This book explores that process
