Performing Queer Latinidad Dance Sexuality Politics Triangulations Lesbian gay queer Theater drama performance:

Performing Queer Latinidad Ramon H. Rivera-Servera, 2012-10-26 The place of performance in unifying an urban LGBT population of diverse Latin American descent

Acts of Gaiety Sara Warner, 2012-10-26 Against queer theory's long suffering romance with mourning and melancholia and a national agenda that urges homosexuals to renounce pleasure if they want to be taken seriously *Acts of Gaiety* seeks to reanimate notions of gaiety as a political value for LGBT activism by recovering earlier mirthful modes of political performance The book mines the archives of lesbian feminist activism of the 1960s 70s highlighting the outrageous gaiety including camp kitsch drag guerrilla theater zap actions rallies manifestos pageants and parades alongside legitimate theater at the center of the social and theatrical performances of the era Juxtaposing figures such as Valerie Solanas and Jill Johnston with more recent performers and activists including Hothead Paisan Bitch and Animal and the Five Lesbian Brothers Sara Warner shows how reclaiming this largely discarded and disavowed past elucidates possibilities for being and belonging *Acts of Gaiety* explores the mutually informing histories of gayness as politics and as *joie de vivre* along with the centrality of liveliness to queer performance and protest

Queer Sites in Global Contexts Regner Ramos, Sharif Mowlabocus, 2020-12-29 *Queer Sites in Global Contexts* showcases a variety of cross cultural perspectives that foreground the physical and online experiences of LGBTQ people living in the Caribbean South and North America the Middle East Europe and Asia The individual chapters a collection of research based texts by scholars around the world provide twelve compelling case studies queer sites that include buildings digital networks natural landscapes urban spaces and non normative bodies By prioritizing divergent histories and practices of queer life in geographies that are often othered by dominant queer studies in the West female sex workers people of color indigenous populations Latinx communities trans identities migrants the book constructs thoroughly situated nuanced discussions on queerness through a variety of research methods The book presents tangible examples of empirical research and practice based work in the fields of queer and gender studies geography architectural and urban theory and media and digital culture Responding to the critical absence surrounding experiences of non White queer folk in Western academia *Queer Sites in Global Contexts* acts as a timely resource for scholars activists and thinkers interested in queer placemaking practices both spatial and digital of diverse cultures

Queer Nightlife Kemi Adeyemi, 2021-05-03 Evocative essays and interviews that celebrate the expressive possibilities of a world after dark

Gender Justice and the Law Elaine Wood, 2020-11-16 *Gender Justice and the Law* presents a collection of essays that examines how gender as a category of identity must continually be understood in relation to how structures of inequality define and shape its meaning It asks how notions of justice shape gender identity and whether the legal justice system itself privileges notions of gender or is itself gendered Shaped by politics and policy *Gender Justice* essays contribute to understanding how theoretical practices of intersectionality relate to structures of inequality and relations formed as a result of their interaction Given its theme the collection's essays examine

theoretical practices of intersectional identity at the nexus of gender and justice that might also relate to issues of sexuality race class age and ability

Memories of the Revolution Holly Hughes, Carmelita Tropicana, Jill Dolan, 2015-11-30 Scripts interviews photos and critical commentary documenting the riotous beginnings of this long lived experimental theater space for women

Prismatic Performances April Sizemore-Barber, 2020-09-28 At his 1994 inauguration South African president Nelson Mandela announced the Rainbow Nation at peace with itself and the world This national rainbow notably extended beyond the bounds of racial coexistence and reconciliation to include sexual orientation as a protected category in the Bill of Rights Yet despite the promise of equality and dignity the new government's alliance with neoliberal interests and the devastation of the AIDS epidemic left South Africa an increasingly unequal society Prismatic Performances focuses on the queer embodiments that both reveal and animate the gaps between South Africa's self image and its lived realities It argues that performance has become a key location where contradictions inherent to South Africa's post apartheid identity are negotiated The book spans 30 years of cultural production and numerous social locations and includes a team of black lesbian soccer players who reveal and redefine the gendered and sexed limitations of racialized Africanness white gay performers who use drag and gender subversion to work through questions of racial and societal transformation black artists across the arts who have developed aesthetics that place on display their audiences complicity in the problem of sexual violence and a primarily heterosexual panAfrican online soap opera fandom community who by combining new virtual spaces with old melodramatic tropes allow for extended deliberation and new paradigms through which African same sex relationships are acceptable Prismatic Performances contends that when explicitly queer bodies emerge onto public stages audiences are made intimately aware of their own bodies identifications and desires As the sheen of the New South Africa began to fade these performances revealed the inadequacy and indeed the violence of the Rainbow Nation as an aspirational metaphor Simultaneously they created space for imagining new radical configurations of belonging

Queer Relajo David Tenorio, 2025-08-28 In 2015 Mexico City declared itself a gay friendly city and followed up with a gay tourist guide and new laws permitting changes to gender markers on legal documents sanctioning same sex marriage and allowing joint adoption of children At the same time patterns of violence and discrimination against women trans and queer people have continued throughout the country In Queer Relajo David Tenorio argues that while Mexico City aims to bring visibility to queer sociality the benefits of legitimizing queer space remain unclear Combining readings of film digital media and performance with drag autoethnography Queer Relajo quite literally plays with how relajo or playfulness structures the spaces of queer nightlife in urban contexts by revealing how nighttime intimacy can minimize the paralyzing effects of violence and precarity in a neoliberal Mexico Considering the political implications of when a queer trans person is present at night Tenorio argues that queer feelings of play are not only essential to sexual liberation but also resist neoliberal commodification and heteronormative extraction

The Bodies of Others Selby Wynn Schwartz, 2019-03-15 The Bodies of Others explores the

politics of gender in motion From drag ballerinas to faux queens and from butoh divas to the club mothers of modern dance the book delves into four decades of drag dances on American stages Drag dances take us beyond glittery one liners and into the spaces between gender norms In these backstage histories dancers give their bodies over to other selves opening up the category of realness The book maps out a drag politics of embodiment connecting drag dances to queer hope memory and mourning There are aging toiles midnight shows mystical spaces and all of the dust and velvet of divas in their dressing rooms But these forty years of drag dances are also a cultural history including Mark Morris dancing the death of Dido in the shadow of AIDS and the swans of Les Ballets Trockadero de Monte Carlo sketching an antiracist vision for ballet Drawing on queer theory dance history and the embodied practices of dancers themselves *The Bodies of Others* examines the ways in which drag dances undertake the work of a shared queer and trans politics

Ishtyle Kareem Khubchandani, 2020-07-16

Ishtyle follows queer South Asian men across borders into gay neighborhoods nightclubs bars and house parties in Bangalore and Chicago Bringing the cultural practices they are most familiar with into these spaces these men accent the aesthetics of nightlife cultures through performance Kareem Khubchandani develops the notion of ishtyle to name this accented style while also showing how brown bodies inadvertently become accents themselves ornamental inclusions in the racialized grammar of desire Ishtyle allows us to reimagine a global class perpetually represented as docile and desexualized workers caught in the web of global capitalism The book highlights a different kind of labor the embodied work these men do to feel queer and sexy together Engaging major themes in queer studies Khubchandani explains how his interlocutors performances stage relationships between colonial law and public sexuality film divas and queer fans and race caste and desire Ultimately the book demonstrates that the unlikely site of nightlife can be a productive venue for the study of global politics and its institutional hierarchies
