*The Oxford Handbook of Hellenic Studies* George Boys-Stones, Barbara Graziosi, Phiroze Vasunia, 2009-08-20 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been and might be studied. It is intended to inform its readers but also importantly to inspire them and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study. The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena and also upon its relevance to the way we think about ourselves today.

**Persepolis** Ali Mousavi, 2012-04-19 Persepolis: Discovery and Afterlife of a World Wonder presents the first full study of the history of archaeological exploration at Persepolis after its destruction in 330 BC. Based in part on archival evidence, anecdotal information and unpublished documents, this book describes in detail the history of archaeological exploration, visual documentation and excavations at one of the most celebrated sites of the ancient world. The book addresses a broad audience of readers ranging from students of the archaeology, history and art history of ancient, medieval and modern Iran to scholars in Classical Studies and Ancient Near Eastern Studies.

**The Football Book** DK, 2023-06-01 This is the ultimate guide for any football fan who wants to know everything about the beautiful game, from World Cup winners to football skills and techniques. Whether you are a keen player, a lifelong supporter or an armchair football manager, this book illustrates every aspect of the most popular sport in the world. The Football Book reveals the story behind the game, from the history of the sport to the results of the Qatar 2022 Men's World Cup and the build up to the 2023 Women's World Cup in Australia and New Zealand. Discover everything there is to know on football with this fantastic guide featuring a fresh graphic style that illustrates everything from beach football to block tackles. Stats and fact boxes profile players, managers, fans, national teams and club. Special features highlight great matches, stadiums and football culture. Top 5 boxes provide an alternative look at the best and worst of the game. Bold, step-by-step artworks and jargon-free text profile the roles of players, equipment, team formations, strategies and individual skills, while maps, quotes and statistics give you all of the key facts on national teams, famous club sides and iconic players, as well as the greatest competitions around the world.

Crompton,2015-03-23 Heroism and sacrifice Brutality and folly Great leaders great villains pivotal moments and events Take a captivating concise and convenient look at how the world the United States and the lives we lead today have been changed by war and the military Military history is a fascinating complex and often contradictory subject War and fighting between tribes clans groups and countries has been with us forever Wars cause political social and technological upheavals From early Greeks and Romans to the great conquering militaries of the past continuing on through the civil wars and world wars that shaped the boundaries of today's nations and to the modern weapons technologies guerrilla warfare and terrorism currently reported in the nightly news The Handy Military History Answer Book looks at the who the what the why and the how of conflicts throughout history It answers over 1 100 questions from the most widely asked to the more obscure such as Who cast the first stone of human history Is there anything to the story of Ancient Troy Could Alexander the Great have conquered the early Roman Republic How many men and auxiliary fighters were there in a Roman legion Which precious metal did the Vikings prefer above all others Do we even have his name Genghis Khan right Where did Richard the Lion Heart get his nickname How long did it take to learn how to use the longbow Was Napoleon really not French When did George Washington have to alter all his plans and how did he go about making the change What signals did Paul Revere watch for on the evening of April 18 1775 How many people died at the Siege of Fort Sumter What was the worst day of the Civil War in the Far West Where was the world's first submarine deployed When were balloons first deployed in warfare Where did the name Uncle Sam come from What did Rasputin have to say about the approach of the First World War Why on earth did Hitler code name his invasion of Russia for a German emperor who drowned How close did Hitler come to victory at Moscow in 1941 What ten days decided the outcome of World War II What was so special about the B 24 When did the Cold War commence What role will technology like the Internet play in future warfare How significant to the United States is the rise in China's military power The weapons leaders soldiers battles tactics strategies blunders technologies and outcomes are all examined in The Handy Military History Answer Book It investigates everything from the smallest miscalculations and maneuvers to the biggest invasions and battles as well as the cutting edge technologies and firepower that led to victories and helped change the world This powerful primer on the military also includes a helpful bibliography and an extensive index adding to its usefulness

**Ancient Persia and the Book of Esther** Lloyd Llewellyn-Jones,2023-03-09 A Spectator 2023 Book of the Year Esther is the most visual book of the Hebrew Bible and was largely crafted in the Fourth Century BCE by an author who was clearly au fait with the rarefied world of the Achaemenid court It therefore provides an unusual melange of information which can enlighten scholars of Ancient Iranian Studies whilst offering Biblical scholars access into the Persian world from which the text emerged In this book Lloyd Llewellyn Jones unlocks the text of Esther by reading it against the rich iconographic world of ancient Persia and of the Near East Ancient Persia and the Book of Esther is a cultural and iconographic exploration of an important but often undervalued biblical book and Llewellyn Jones presents the book of Esther

as a rich source for the study of life and thought in the Persian Empire The author reveals answers to important questions such as the role of the King s courtiers in influencing policy the way concubines at court were recruited the structure of the harem in shifting the power of royal women the function of feasting and drinking in the articulation of courtly power and the meaning of gift giving and patronage at the Achaemenid court
