Person Centred Therapy In Focus Counselling Psychotherapy In Focus Series:

Person-Centred Therapy in Focus Paul Wilkins, 2002-12-13 Person Centred Therapy in Focus provides a much needed exploration of the criticisms levelled against one of the most widespread forms of therapeutic practice Characterized by its critics as theoretically light culturally biased and limited in application until now the person centred approach has had comparatively little written in its defence Paul Wilkins provides a rigorous and systematic response to the critics drawing not only on the work of Carl Rogers but also of those central to more recent developments in theory and practice including Goff Barrett Lennard Dave Mearns Jerold Bozarth Germain Leitauer and Brian Thorne It traces the epistemological foundations of person centred therapy and places the approach in its social and political context Examining the central tenets of the approach each chapter sets out concisely the criticisms and then counters these with arguments from the person centred perspective Chapters cover debates in relation to the model of the person self actualization the core conditions non directivity resistance to psychopathology reflection and boundary issues Person Centred Therapy in Focus fulfills two important purposes firstly to answer the criticisms of those who have attacked the person centred approach and secondly to cultivate a greater critical awareness and understanding within the approach itself As such it makes a significant contribution to the person centred literature and provides an excellent resource for use in training Counselling Psychology David Murphy, 2017-09-25 A complete introduction to the theory and practice of contemporary counselling psychology An excellent resource for students at undergraduate or graduate level Counselling Psychology A Textbook for Study and Practice provides valuable insights into the key issues associated with theory and practice in this field The contributors represent a diverse array of approaches reflecting the rich diversity within the area and care is taken to avoid favouring any one approach The book begins with an overview of the historical and philosophical foundations of counselling psychology before taking a detailed look at major therapeutic approaches and exploring issues associated with specific client populations ethics research design and more In particular the text seeks to explain how counselling psychology differs from and informs other areas of contemporary applied psychology The result is an engaging balance of the personal and academically rigorous presented in a highly accessible format An authoritative introduction to and key issues involved with the theory and practice of counselling psychology for students and practitioners at all levels Considers all major approaches to psychotherapy including existential person centered experiential psychodynamic and cognitive behavioural Explores issues commonly encountered when working with specific client groups including children people with intellectual disabilities and emergency trauma victims *Four Approaches to Counselling and Psychotherapy* Windy Dryden, Jill Mytton, 1999 Modelled on Three Psychologies Perspectives from Freud Skinner and Rogers this book provides an introduction to an overview of the main therapeutic approaches used in psychotherapy and counselling today Brief Person-Centred Therapies Keith Tudor, 2008-06-24 This is a book that the person centered psychotherapy community has been waiting for this book opens a

creative space in which the ongoing conversation about therapeutic efficacy in times of shrinking resources can be successfully engaged Professor Maureen O Hara Chair Department of Psychology National University La Jolla California A wide ranging and scholarly book which shows that person centred therapy is fully alive to the challenges of the twenty first century and is breaking new ground both clinically and theoretically Professor Brian Thorne Emeritus Professor of Counselling University of East Anglia Likely to be of interest to anyone involved in counselling Times Higher Education Magazine May 2009 Can the person centred approach work in time limited psychotherapy and counselling This is a question that many practitioners grapple with as demand for brief therapy increases particularly in the public sector Brief Person Centred Therapies is the first book to tackle the subject bringing together the experience and insights of a leading international team of person centred therapists The book examines the philosophical and theoretical fit between the person centred approach and brief therapy It also explores the issues which arise when working briefly in a range of different settings including primary care higher education business and prison with couples and groups Brief Person Centred Therapies is essential reading for all person centred trainees and for practitioners who want to work in services where brief or time limited work is required or favoured Keith Tudor is a UKCP registered psychotherapist and has a private independent practice in Sheffield offering therapy supervision and consultancy

Re-Visioning Person-Centred Therapy Manu Bazzano, 2018-06-27 By exploring various ways to assimilate recent progressive developments and to renew its vital links with its radical roots Re Visioning Person Centred Therapy Theory and Practice of a Radical Paradigm takes a fresh look at this revolutionary therapeutic approach Bringing together leading figures in PCT and new writers from around the world the essays in this book create fertile links with phenomenology meditation and spirituality critical theory contemporary thought and culture and philosophy of science In doing so they create an outline that renews and re visions person centred therapy s radical paradigm providing fertile material in both theory and practice Shot through with clinical studies vignettes and in depth discussions on aspects of theory Re Visioning Person Centred Therapy will be stimulating reading for therapists in training and practice as well as those interested in the development of PCT
