

Maintaining Company Codes for Materials Management

You must maintain your company codes both in Financial Accounting (FI) and Materials Management for the fiscal period. This allows you to open and close the period and not permit postings to previously closed periods or to future closed periods.

Make this a step in your year-end close process, otherwise you may forget; then on January 1st, you will receive many complaints from user who cannot post their documents.

1. To maintain the company codes, follow this path in the IMG:

Logistics – General → Material Master → Basic Settings → Maintain Company Codes for Materials Management

Change View "Materials Management View on Company Codes": Overview

☐	CoCd/Company Name	Year	Pa Per	M Per	UMAdp	OBp
☐	0001 SAP A.G.	2000	2000/12	2000/12	✓	1

2. Go to the company code for which you wish to change the periods, and complete the periods. The ABp field shows whether to allow backposting. It lets you backpost transaction 1 in the past.
3. Save your entries .
