Sex Of The Worst Kind:

Sex and Punishment Eric Berkowitz, 2013-04-03 Sex and Punishment tells the story of the struggle throughout millennia to regulate the most powerful engine of human behaviour sex From the savage impalement of an Ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde for gross indecency in 1895 Eric Berkowitz evokes the entire sweep of Western sex law The cast of Sex and Punishment is as varied as the forms taken by human desire itself royal mistresses gay charioteers medieval transvestites lonely goat lovers prostitutes of all stripes and London rent boys Each of them had forbidden sex and each was judged and justice as Berkowitz shows rarely had anything to do with it **Sex and the Single**

Savior Dale B. Martin, 2006-01-01 Probing into numerous questions about gender and sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul's opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ Sex after Fascism Dagmar Herzog, 2007-01-22 What is the relationship between sexual and other

kinds of politics Few societies have posed this puzzle as urgently or as disturbingly as Nazi Germany What exactly were Nazism's sexual politics Were they repressive for everyone or were some individuals and groups given sexual license while others were persecuted tormented and killed How do we make sense of the evolution of postwar interpretations of Nazism's sexual politics What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was sex hostile In response to these and other questions Sex after Fascism fundamentally reconceives central topics in twentieth century German history Among other things it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism the role of Christianity in the consolidation of postfascist conservatism in the West the countercultural rebellions of the 1960s 1970s as well as the negotiations between government and citizenry under East German communism Beginning with a new interpretation of the Third Reich's sexual politics and ending with the revisions of Germany's past facilitated by communism's collapse Sex after Fascism examines the intimately intertwined histories of capitalism and communism pleasure and state policies religious renewal and secularizing trends A history of sexual attitudes and practices in twentieth century Germany investigating such issues as contraception pornography and theories of sexual orientation Sex after Fascism also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust **Sexuality in the Middle Ages and Early Modern Times** Albrecht
