Psychotherapy With Older Adults:

Psychotherapy with Older Adults Bob G. Knight, 2004-02-20 This Third Edition of the bestselling *Psychotherapy with Older Adults* continues to offer students and professionals a thorough overview of psychotherapy with older adults Using the contextual cohort based maturity specific challenge CCMSC model it draws upon findings from scientific gerontology and life span developmental psychology to describe how psychotherapy needs to be adapted for work with older adults as well as when it is similar to therapeutic work with younger adults Sensitively linking both research and experience author Bob G Knight provides a practical account of the knowledge technique and skills necessary to work with older adults in a therapeutic relationship This volume considers the essentials of gerontology as well as the nature of therapy in depth focusing on special content areas and common themes

Counseling Older Adults Bernard Kingston, Eleanor O'Leary, 1996 Presents an approach derived from the author's use of gestalt therapy

Psychotherapy with Older Adults Bob G. Knight, 2004-02-20 This Third Edition of the bestselling *Psychotherapy with Older Adults* continues to offer students and professionals a thorough overview of psychotherapy with older adults Using the contextual cohort based maturity specific challenge CCMSC model it draws upon findings from scientific gerontology and life span developmental psychology to describe how psychotherapy needs to be adapted for work with older adults as well as when it is similar to therapeutic work with younger adults Sensitively linking both research and experience author Bob G Knight provides a practical account of the knowledge technique and skills necessary to work with older adults in a therapeutic relationship This volume considers the essentials of gerontology as well as the nature of therapy in depth focusing on special content areas and common themes

Psychotherapy with Older Adults includes a comprehensive discussion of assessment and options for intervention Numerous case examples illustrate the dynamics of the therapeutic task and issues covered in therapy and stress the human element in working with older adults A concluding chapter considers ethical questions and the future of psychotherapy with older adults The author has updated the Third Edition to reflect new research findings and has written two entirely new chapters covering psychotherapy with persons with dementia and psychotherapy with caregivers of frail older adults Since its initial publication in 1986 the book has been used as a course text and a professional reference around the world including translations into French Dutch Chinese and Japanese It is a vital resource for practicing therapists and counselors who work with older adults and is also ideally suited as a text for advanced students in psychology social work gerontology and nursing

Praise for Previous Editions Bob G Knight's largest contribution is his excellent discussion of therapy The book is clearly written with a good use of summaries and case examples to clarify the major points By linking research findings to practice experience Knight has provided a pragmatic introduction which should be helpful to psychiatrists psychologists social workers and psychiatric nurses working with older adults

JOURNAL OF APPLIED GERONTOLOGY I recommend this book to anyone interested in working with the elderly partly because of the content and partly because the author presents the case

for doing psychotherapy with the elderly with realism and enthusiasm **BEHAVIOR RESEARCH THERAPY Psychotherapy with Older Men** Tammi Vacha-Haase, Stephen R. Wester, Heidi Fowell Christianson, 2011-01-19 Society imposes a strict masculinity construct on boys and men dictating how they are expected to behave as a real man including the idea that they should not display weakness through mental and emotional issues As men age however it becomes increasingly difficult and even impossible for them to fulfill this role due to the limitations that aging imposes thus elderly men may feel ashamed of their seeming inability to cope with these changes while maintaining their traditional male identities especially regarding physical and mental illness This book intends to highlight the resulting social stigma older men experience by exploring the context of their lives the challenges they face and the clinical process of helping them in counseling and psychotherapy

Counselling and Psychotherapy with Older People in Care Felicity Chapman, 2017-12-14 The global population is ageing rapidly yet there is a shortage of skilled professionals able to support the wellbeing of older people in care Older people can be more vulnerable to mental health issues such as loneliness anxiety grief loss and cognitive changes and need therapeutic support that addresses their specific needs and conditions This supportive guide for psychotherapists counsellors and other professionals working with older people addresses the growing demand for mental health services for older adults It covers a range of issues that arise within this demographic including residential living the referral process assessment and engagement and attitudes towards ageing while contextualising these issues within larger social and political frameworks The author describes specific interventions such as Narrative Therapy Reminiscence Therapy Acceptance and Commitment Therapy and Cognitive Behavioural Therapy with practical case studies woven in throughout the book **Talking Over the Years** Sandra Evans, Jane Garner (FRCPsych.), 2004 Talking Over the Years illuminates the psychodynamic theories of the 20th century turns its attentions to the thorny issues of ageing the complications of later life It provides detailed descriptions of psychoanalytic theory together with the use of psychodynamic concepts in clinical practice Blooming in December: Psychodynamic Psychotherapy With Older Adults Amy Schaffer, 2021-04-12 This book covers the essentials of psychotherapeutic work with older adults discussing how contemporary psychodynamic thought can be applied clinically to engage the older patient in psychotherapeutic work of depth and meaning work that not only relieves suffering but also promotes growth It describes the way the difficulties accompanying older age can affect psychological functioning and it examines the unique psychotherapeutic needs of this age group Using clinical vignettes for illustrative purposes it explores the psychotherapeutic challenges tasks techniques and accomplishments involved in the treatment of older adults Topics discussed include the reemergence of earlier developmental challenges the concurrent treatment of late life and revived early trauma transference and countertransference the functions of developing an enriched life narrative in restoring the self existential issues and mourning Throughout the focus is on what psychotherapy can do to help The demand for mental health services for older adults is growing alongside increasing life spans but the psychodynamic literature has neglected this

population Blooming in December Psychodynamic Psychotherapy with Older Adults fills this gap offering a clear guide to effective work with older adults for all psychotherapists and psychoanalysts **Counseling Older People** Charlene M. Kampfe, 2015-01-12 This book provides insight into the primary issues faced by older adults the services and benefits available to them and the knowledge base techniques and skills necessary to work effectively in a therapeutic relationship Dr Kampfe offers empirically and anecdotally based strategies and interventions for dealing with clients personal concerns and describes ways counselors can advocate for older people on a systemic level Individual and group exercises are incorporated throughout the book to enhance its practicality Topics covered include an overview of population demographics and characteristics counseling considerations and empowering older clients successful aging mental health and wellness common medical conditions multiple losses and transitions financial concerns elder abuse veterans issues sensory loss changing family dynamics managing Social Security and Medicare working after retirement age retirement transitions losses and gains residential options and death and dying Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to publications@counseling.org
