Publishing Without Borders:

Books Without Borders, Volume 1 Robert Fraser, Mary Hammond, 2008-07-31 Where does the book belong Does it enshrine the soul of a nation or is it a means by which nations talk to one another sharing ideas technologies texts This book the first in a two volume set of original essays responds to these questions with archive based case studies of print culture in a number of countries around the world **Books Without Borders in Enlightenment Europe** Jeffrey

Freedman, 2012-06-28 Though the field of book history has long been divided into discrete national histories books have seldom been as respectful of national borders as the historians who study them least of all in the age of Enlightenment when French books reached readers throughout Europe In this erudite and engagingly written study Jeffrey Freedman examines one of the most important axes of the transnational book trade in Enlightenment Europe the circulation of French books between France and the German speaking lands Focusing on the critical role of book dealers as cultural intermediaries he follows French books through each stage of their journey from the French language printing shops where they were produced to the wholesale book fairs in Leipzig to retail book shops at locations scattered widely throughout Germany At some of those locations authorities reacted with alarm to the spread of French books burning works of the radical French Enlightenment and punishing the booksellers who sold them But officials had little power to curtail their circulation the political fragmentation of the German lands made it virtually impossible to police the book trade Largely unimpeded by censorship French books circulated more freely in Germany than in the absolutist monarchy of France In comparison the flow of German books into the French market was negligible an asymmetry that corresponded to the hierarchy of languages in Enlightenment Europe But publishers in Switzerland produced French translations of German books By means of title changes creative editing and mendacious advertising the Swiss publishers adapted works of the German Enlightenment for an audience of French readers that stretched from Dublin to Moscow An innovative contribution to both the history of the book and the transnational study of the Enlightenment Freedman s work tells a story of crucial importance to understanding the circulation of texts in an age in which the concept of World Literature had not yet been invented but the phenomenon already existed Books Without Borders, Volume 2 R. Fraser, M. Hammond, 2008-07-10 This volume focuses on the

publisher s series as a cultural formation a material artifact and component of cultural hierarchies Contributors engage with archival research cultural theory literary and bibliometric analysis amongst a range of other approaches to contextualize the publisher s series in terms of its cultural and economic work Rebels without Borders Idean Salehyan, 2011-07-07

Rebellion insurgency civil war conflict within a society is customarily treated as a matter of domestic politics and analysts generally focus their attention on local causes Yet fighting between governments and opposition groups is rarely confined to the domestic arena Internal wars often spill across national boundaries rebel organizations frequently find sanctuaries in neighboring countries and insurgencies give rise to disputes between states In *Rebels without Borders* which will appeal to

students of international and civil war and those developing policies to contain the regional diffusion of conflict Idean Salehyan examines transnational rebel organizations in civil conflicts utilizing cross national datasets as well as in depth case studies He shows how external Contra bases in Honduras and Costa Rica facilitated the Nicaraguan civil war and how the Rwandan civil war spilled over into the Democratic Republic of the Congo fostering a regional war He also looks at other cross border insurgencies such as those of the Kurdish PKK and Taliban fighters in Pakistan Salehyan reveals that external sanctuaries feature in the political history of more than half of the world s armed insurgencies since 1945 and are also important in fostering state to state conflicts Rebels who are unable to challenge the state on its own turf look for mobilization opportunities abroad Neighboring states that are too weak to prevent rebel access states that wish to foster instability in their rivals and large refugee diasporas provide important opportunities for insurgent groups to establish external bases Such sanctuaries complicate intelligence gathering counterinsurgency operations and efforts at peacemaking States that host rebels intrude into negotiations between governments and opposition movements and can block progress toward peace when they pursue their own agendas Books Across Borders Miriam Intrator, 2019-06-19 Books Across Borders UNESCO and the Politics of Postwar Cultural Reconstruction 1945 1951 is a history of the emotional ideological informational and technical power and meaning of books and libraries in the aftermath of World War II examined through the cultural reconstruction activities undertaken by the Libraries Section of the United Nations Educational Scientific and Cultural Organization UNESCO The book focuses on the key actors and on the ground work of the Libraries Section in four central areas empowering libraries around the world to acquire the books they wanted and needed facilitating expanded global production of quality translations and affordable books participating in debates over the contested fate of confiscated books and displaced libraries and formulating notions of cultural rights as human rights Through examples from France Poland and surviving Jewish Europe this book provides new insight into the complexities and specificities of UNESCO s role in the realm of books libraries and networks of information exchange during the early postwar post Holocaust Cold War years

Chinese American Literature without Borders King-Kok Cheung, 2017-02-18 This book bridges comparative literature and American studies by using an intercultural and bilingual approach to Chinese American literature King Kok Cheung launches a new transnational exchange by examining both Chinese and Chinese American writers Part 1 presents alternative forms of masculinity that transcend conventional associations of valor with aggression It examines gender refashioning in light of the Chinese dyadic ideal of wen wu verbal arts and martial arts while redefining both in the process Part 2 highlights the writers formal innovations by presenting alternative autobiography theory metafiction and translation In doing so Cheung puts in relief the literary experiments of the writers who interweave hybrid poetics with two pronged geopolitical critiques The writers examined provide a reflexive lens through which transpacific audiences are beckoned to view the other country and to look homeward without blinders **Ontology Without Borders** Jody Azzouni, 2017-07-20 Our experience of objects

is very rich We perceive objects as possessing individuation conditions This however is a projection of our senses and thinking Azzouni shows the resulting austere metaphysics tames many ancient philosophical problems about constitution Ship of Theseus Sorities as well as contemporary puzzles about reductionism EBOOK: European Child Health Services and Systems: Lessons without Borders Ingrid Wolfe,Martin McKee,2014-02-16 The book will focus on three key aspects of delivery of child health services service integration and coordination public health measures and enhancing the quality of care for children Taking a child centric view on understanding how health services and systems work the book aims to contribute towards improving children s health through deepening the understanding of children s health services Focusing primarily on the western European countries the book draws on research conducted with child health leaders in ten countries Austria Britain Finland France Israel Italy Netherlands Norway Poland and Sweden The chapters include clinical scenarios designed to help identify and describe the various ways in which children and their families negotiate health services when dealing with twelve different conditions Using clinical scenarios in this way allows the book authors to capture the diverse aspects of each health system as well as assessment and analysis of the challenges involved in each and their successes and failures **Beyond Borders** Kofi Quaye,2025-05-05 A Life in Black and White Memoirs of a Journalist Publisher and Witness to History From the heart of post independence Ghana to the battleground of post civil rights America Kofi Quaye s life has been a journey through journalism creative arts and history As Ghana s youngest published author his books published by MacMillan were included in high school curricula As the youngest editor and public relations officer of a government department he worked alongside some of the nation s most influential media figures including Ellis Komey editor of London based Flamingo Magazine and Jimmy Moxon the British ex colonial administrator who became a pivotal figure in Ghana s post independence media landscape After immigrating to America Quaye made history as the first African to own edit and publish a Black American newspaper in upstate New York the Syracuse Gazette Quaye s memoir is a rare and powerful fusion of personal narrative investigative journalism and historical analysis His tenure as editor of the Syracuse Gazette brought him to national attention when the newspaper s photographer was involved in one of America s first major cases of police brutality He worked as assistant editor of the AFRO AMERICAN Weekly in New York City launching groundbreaking coverage of Africa and his article African Stereotype in Essence Magazine challenged global misconceptions about the African continent A pioneer in publishing Quaye launched multiple ventures to uplift Black voices He set up a publishing company and provided editing proofreading and publishing services to Black American authors including the prominent scholar and activist Dr Amos Wilson for his book titled The Developmental Psychology of the Black Child He co authored Free from Death Road with ex gangster General Davis the first book co written by an African author and a former American gangster and collaborated with authors from diverse backgrounds including a pastor and a Trinidadian immigrant His work established him as a force in both African and Black American media and publishing This is more than a memoir it s

a front row seat to history a masterclass in journalism and an unfiltered look at the struggle for Black representation in the media

Cultures Without Borders May A. Rihani, 2014 May Rihani's book is proof of the emptiness of three stereotypes she challenges the idea that Arab women are submissive that there are no democracies in the Middle East and the notion of a clash of civilizations Her life demonstrates global leadership by a Lebanese Arab woman and her memoir describes a golden age in Lebanon when democracy and freedom of expression were taken for granted Perhaps most importantly Cultures Without Borders finds the common ground among cultures despite apparent differences This is an eyewitness account of the rich and profound goodness in humanity H E Amine Gemayel former President of Lebanon Cultures Without Borders contains important lessons for all those who aspire to live as productive global citizens in the twenty first century On the macro level May Rihani's book demonstrates the falsity of the clash of civilizations theory that posits inevitable conflict between peoples of differing cultures Instead through personal anecdotes and authoritative evidence drawn from real world experiences she demonstrates the universality of the impulse to transcend frontiers of the mind and connect peacefully with the other through education and dialogue Suheil Bushrui Professor Emeritus University of Maryland I have never met anyone who so adeptly mixes academics philosophy technical know how advocacy and common sense like May Rihani I have watched with awe as she has applied her unique set of skills and made a difference in the lives of women and girls around the world Stephanie Funk USAID Mission Director Zimbabwe Weaving between poetry and politics evoking the intimacy of family and the openness of public service at once struggling for local girls education poverty alleviation and negotiating with World Bank and UN officers laboring every day for economic development for women and yet running high romance with Romeo lovers conversing equally with illiterate village friends and global leaders May Rihani invites us into a Lebanese and American garden throbbing with its unfolding mystery enchanted by fragrances of East West and South and exhilarated by the empowering possibility of a life lived fully every moment and yet always with an eye to the possibilities ahead She humbles she empowers she inspires Suad Joseph Distinguished Research Professor University of California Davis
