Punch And Judy A Grand Guignol:

Punch and Judy Christopher P. Reilly, 2003-10 Mr Punch sets out to get on Santa's Nice List but if he fails he'll ruin Christmas for the last two good children on Earth

The Cinema of Malcolm Lowry Miguel Mota, Paul Tiessen, 2011-11-01 To a remarkable extent the filmscript of *Tender is the Night* which Malcolm Lowry wrote in 1949-50 with the help of Margerie Bonner Lowry is less an adaptation of F Scott Fitzgerald's novel than an extension of Lowry's own fiction As Miguel Mota and Paul Tiessen show Malcolm Lowry's script contains important passages which are really cinematic restatements of parts of Lowry's novel *Lunar Caustic* and of short stories such as *Through the Panama* and *Strange Comfort Afforded by the Profession* The editors note also the many direct and indirect allusions to elements from Lowry's master work *Under the Volcano* 1947 a novel that is regarded by many critics as one of the most cinematic prose works of the twentieth century A close study of the text reveals that Lowry took on the *Tender is the Night* project partly as a means of reopening his *Under the Volcano* narrative of re-exploring its plot and problems and its characters and themes and of carrying as far as possible the cinematic style he had begun to examine in that work Lowry's *Tender is the Night* manuscript is important then not only as a completed 455 page text in its own right but also as a text having a direct bearing on Lowry's own reading of *Under the Volcano* and of his sense of artistic direction after that work Indeed the editors consider the significance of the filmscript as a key hitherto almost entirely overlooked to understanding his projected multiple volume work *The Voyage That Never Ends* This scholarly edition of Lowry's script presents 38 passages of varying length from less than one page to over 100 pages in which Lowry writes with a freedom and creativity that lead to a text narratively and stylistically quite separate and distinct from Fitzgerald's original It excludes passages where Lowry adheres more or less slavishly at 37 intervals to Fitzgerald's novel though it provides brief narrative summaries of and comments on those omitted sections Lowry's achievement in his filmscript demonstrates the nature of his life long commitment to and extensive knowledge of the international cinema from the 1910s to the 1950s and also the nature of his view of the novelist's responsibility to participate in the development of film as an art The script also illustrates Lowry's relationship with F Scott Fitzgerald as one in a series of literary kinships and as the editors point out the work becomes a criticism and analysis of both Fitzgerald's novel and of Fitzgerald himself

Blood on the Stage, 1800 to 1900 Amnon Kabatchnik, 2017-09-22 This volume examines the key representations of transgression drama produced between 1800 and 1900 Arranged in chronological order the entries consist of plot summary often including significant dialogue performance data if available opinions by critics and scholars and other features

Theatricality in the Horror Film André Loiselle, 2019-10-28 The horror film generally presents a situation where normality is threatened by a monster From this premise *Theatricality in the Horror Film* argues that scary movies often create their terrifying effects stylistically and structurally through a radical break with the realism of normality in the form of monstrous theatricality *Theatricality in the horror film* expresses itself in many ways

For example it comes across in the physical performance of monstrosity the over the top performance of a chainsaw wielding serial killer whose nefarious gestures terrify both his victims within the film and the audience in the cinema Theatrical artifice can also appear as a stagy cemetery with broken down tombstones and twisted gnarly trees or through the use of violently aberrant filmic techniques or in the oppressive claustrophobia of a single room setting reminiscent of classical drama Any performative element of a film that flaunts its difference from what is deemed realistic or normal on screen might qualify as an instance of theatrical artifice creating an intense affect in the audience This book argues that the artificiality of the frightening spectacle is at the heart of the dark pleasures of horror *Journal from Ellipsia* Hortense

Calisher, 2013-08-06 *DIVDIVA* humorous satire and loving tribute to science fiction that delves into the tenuous relationship between science and the humanities by asking What does it mean to be human *divDIV* A genderless alien from Ellipsia a planet whose inhabitants have no concept of individuality comes to Earth on an intergalactic exchange program to learn how to become human To live here the traveler must study and understand our inclinations for seeing people as distinct beings the nature of gender and at the heart of identity the word I At once funny and serious *Journal from Ellipsia* offers a starkly objective view on our own humanity *divDIV* *div div* **Bryant & May and the Memory of Blood** Christopher

Fowler, 2011-09-29 The defenestration of a ruthless theatre impresario's young son was definitely not the best way to end the play's first night party And the crime scene itself was most unusual a locked bedroom with no sign of forced entry no prints or traces of blood just a sinister life size puppet of Mr Punch lying on the floor Everyone at the party from the dodgy producer and rakish male lead to the dour set designer and the assistant stage manager the wild daughter of a prominent civil servant is a suspect It's a perfect case for Bryant and May and the Peculiar Crimes Unit but the Home Office wary of the PCU's eccentric methods and intensely aware of the potential political embarrassment wants them off the investigation The elderly detectives are not so easily deterred however Delving into the history of London theatre and the gruesome origins of Punch and Judy they uncover a maniacal killer is at work one who must be caught before it's curtains for everyone *The*

Routledge Companion to Gothic Catherine Spooner, Emma McEvoy, 2007-10-08 In a wide ranging series of introductory essays written by some of the leading figures in the field this book is one of the most comprehensive and up to date guides on the diverse and murky world of the gothic in literature film and culture **The absurd in literature** Neil

Cornwell, 2013-07-19 Neil Cornwell's study while endeavouring to present an historical survey of absurdist literature and its forbears does not aspire to being an exhaustive history of absurdism Rather it pauses on certain historical moments artistic movements literary figures and selected works before moving on to discuss four key writers Daniil Kharms Franz Kafka Samuel Beckett and Flann O'Brien The absurd in literature will be of compelling interest to a considerable range of students of comparative European including Russian and Central European and English literatures British Isles and American as well as those more concerned with theatre studies the avant garde and the history of ideas including humour theory It should also

have a wide appeal to the enthusiastic general reader *An ABC of Nostalgia* Ernest Sackville Turner, 1984 *Sartre's Theatre* B. P. O'Donohoe, Benedict O'Donohoe, 2005 Published on the eve of the philosopher playwright's centenary this study offers a wide ranging re appraisal of Sartre's complete dramatic opus from the inaugural nativity play *Bariona* 1940 to the swan song chorus of *Armageddon Les Troyennes* 1965 It draws on a close reading of Sartre's writings in philosophy literature and criticism and provides an extensive survey of journalistic and academic reception Each play is situated in relation both to Sartre's intellectual evolution and to the broader historical context This is the first full length study in English for more than thirty years covering the whole of Sartre's theatre and it will interest students of twentieth century European drama as well as those of modern French literature and ideas
